Pierre Boivin is a partner in our Business Law Group and is the National leader of our Africa Group and Global Metals & Mining Group Leader for the Québec region. His practice is broadly based with a focus on the areas of mergers and acquisitions, private equity and related commercial matters, notably in the mining, oil and gas and energy sectors in Canada and internationally, notably in sub-Saharan Africa.

The following are only a few examples of matters handled by Pierre:

- Counsel for Teranga Gold in the acquisition of Gryphon Minerals Limited, a company working in the mining sector in Burkina Faso;
- Counsel for Windiga Energy Inc., a company in the renewable energy sector in Africa;
- Counsel for RoxGold Inc. regarding a gold mine project in Burkina Faso;
- Counsel for Teranga Gold in a negotiation of an overall agreement with the Government of Senegal;
- Counsel for Managem, a Moroccan company involved in the mining sector, on different projects in Africa;
- Counsel for several clients who are conducting oil and gas exploration activities in the Province of Québec, as well as counsel to the Québec Oil and Gas Association;
- Counsel for International Iron Beneficiation Group, a subsidiary of Severstal OAO, a Russian integrated steel and mining company, with regard to a major iron making project in the Sept-Iles region;
- Counsel for several clients involved in the mining industry including SOQUEM Inc., a subsidiary of the Investissement Québec, which operates in the mining sector, including in the implementation of joint ventures;
- Counsel for Gaz Métropolitain Inc., principal distributor of natural gas in the Province of Québec, in the implementation of a \$1-billion LNG receiving terminal project in Lévis, in partnership with Enbridge Inc. and Gaz de France within the Rabaska Partnership;
- Counsel for ABB Inc., including with regard to business acquisitions.

Pierre is a member of various associations: the Canadian Bar Association, the American Bar Association, the International Bar Association, the Canadian Institute of Mining, Metallurgy and Petroleum, the Canadian Association of Petroleum Landmen, the Rocky Mountain Mineral Law Foundation, the Prospectors and Developers Association of
