Infrastructure

Recognized for her detail-oriented and pragmatic approach, Samantha provides clients with a comprehensive perspective on their projects from development to completion

A partner in our Business Law Group in Vancouver, Samantha is known for providing responsive solutions to clients with respect to the development, financing, commercial and other aspects of complex infrastructure projects.

Clients benefit from Samantha's versatile experience as she regularly acts for borrowers and lenders on all aspects of public-private-partnership transactions. Her experience spans a wide range of industry sectors, including water treatment, social infrastructure, rail and other transportation.

She is very experienced in the PPP sector and can draw upon many precedents. She has a wide range of expertise ranging from financing documents as well as commercial documents, which is greatly helpful in providing a comprehensive perspective when reviewing commercial and legal structures. She is extremely responsive to clients' needs, including the financing parties.

— CHAMBERS AND PARTNERS, CLIENT INTERVIEW
