US and International Markets

China

With high-profile experience in China and Canada, Joyce is uniquely positioned to get deals done for clients at a global scale.

Joyce brings a unique perspective to her practice, skillfully uniting Canadian companies seeking Chinese investors with Chinese companies looking to expand into North America. She also regularly advises corporate executives in the financial sector about taking advantage of opportunities and navigating risk.

Born and raised in Hong Kong and with over 20 years experience working in the North American marketplace, Joyce has both the cultural and business skills necessary to view potential deals from each party's perspective. Her communication skills - she speaks English, Mandarin and Cantonese fluently - smoothly guide Asian companies into Canada, including joint ventures in mining and other natural resources sectors; and, the technology, life science and real estates industries.

PROVIDING STRATEGIC ADVICE TO CORPORATE CLIENTS

Leadership teams from across Canada and Asia, including public companies listed on TSX, NYSE, HK Stock Exchange, Shanghai Stock Exchange, Shenzhen Stock Exchange asset management companies and investment firms, frequently solicit Joyce's advice on how to grow their business and make strategic moves in the marketplace, whether within Canada or abroad. She has earned the trust of some of the biggest players in the industry by successfully strategizing with them on:

- structuring and carrying out domestic and cross border mergers, acquisitions and reorganizations;
- advising on securities regulatory issues for registrants, investment dealers and investment advisors;
- advising on take-over bids (for both targets and offerors);
- advising on public offerings and private placements for issuers in various industries, including mining and resources, technology, real estate development, services and education;
- advising on various investment transactions of foreign companies into Canada, including joint ventures in mining and other natural resources sectors, automobile sector, forestry sector and technology sector;
- advising on investment transactions of Canadian companies into the Greater China region;
- structuring and advising on executive and employee compensation and
