Structured Finance & Securitization

Dean Masse is a partner in our Business Law Group in Toronto. His practice focuses on securitization, structured finance, securities and fintech transactions, including single-seller, multi-seller and cross border securitization transactions.

Dean has significant experience acting as lead counsel for issuers, sellers, purchasers, lenders, borrowers, underwriters and trustees in various public and private securitization, structured finance, securities and fintech transactions, with his securitization and structured finance transactions involving a variety of asset classes, including credit card receivables, residential and commercial mortgages, home equity lines of credit, consumer finance receivables, retail instalment contracts and trade receivables.

Dean also has extensive experience acting as lead counsel for issuers and underwriters in connection with prospectus offerings, private placements, medium term notes programs, commercial paper programs, covered bonds programs and continuous disclosure matters. He has spoken at a number of conferences on various securitization, structured finance and fintech topics.

Dean received his B.Comm. in 1993, his MBA in 1994, and his LLB in 1997, each from the University of Windsor. He also received his JD in 1997 from the University of Detroit Mercy.
