Suzanne Murphy is a partner in our Business Law Group in Toronto with a practice focused on private mergers and acquisitions, private corporate finance and general corporate matters, particularly in the power industry. She is a member of the Board of Directors of the McCarthy Tétrault Foundation.

Suzanne regularly represents national and multinational corporations and venture capital investors. She has significant experience representing acquirers, investors and developers of a variety of power generation assets including natural gas, wind, solar, biomass and nuclear.

RECENT EXPERIENCE

Suzanne's recent experience in the power industry includes acting for:

- NextEra Energy Canada, LP in connection with its spinoff of 7 wind energy projects and 3 solar energy projects to NextEra Energy Partners, LP
- Nigig Power Corporation in connection with the sale of a 50% interest in the 300 MW Henvey Inlet Wind Farm to Pattern Renewable Energy Holdings Canada ULC
- An electric power company and the trading company of an automobile manufacturer group in connection with the acquisition of a 875 MW natural gas fuelled combined cycle generating station
- An Ontario electricity distribution company in connection with the amalgamation of two electricity distribution businesses to form a large municipally owned electricity distribution company in the Province of Ontario
- North America's largest energy transportation and distribution company in connection with the acquisition of a majority interest in, and the construction of, a 99 MW wind farm
- North America's largest energy transportation and distribution company in connection with the acquisition of a majority interest in, and the construction of, a 98.9 MW wind farm
