ESG and Sustainability

With her unrivalled experience and record of success, Sonia is sought after by clients to advise on their most complex and high-profile projects and transactions.

Recognized for her industry knowledge and client-centric approach, her practice focuses on capital markets, mergers and acquisitions, securities and financial services regulation and investment products. As a senior partner in the Business Law Group in Montréal and co-lead of the firm's Environmental, Social and Governance (ESG) and Sustainability Strategic Issues Group, Sonia delivers her team's expertise including market-leading ESG expertise to each project and transaction.

Sonia regularly counsels public companies, financial institutions and intermediaries in the areas of corporate finance, reorganizations, mergers and acquisitions, governance and compliance. She also provides insightful and practical advice to dealers and advisors in financial services and fund managers as well as clearing houses and other regulated entities in the areas of securities, derivatives (both exchange traded and OTC) and insurance regulation and investment products with an emphasis on financial products such as collective investment vehicles, investment funds (domestic and off-shore), structured debt offerings and trading and clearing services.

An active contributor to the community, Sonia is a member of the derivatives consultative committee of the Québec Autorité des marchés financiers and leads courses on mergers and acquisitions, securities and derivatives law at the Faculties of Law of McGill University, Université Laval and University of Ottawa. Sonia also served as chair of McCarthy Tétrault's national Annual Disclosure & Governance Seminar for public companies for over 10 years. Additionally, she is a director and the chair of the human resource committee of The Prosperity Project, a registered charity aiming to propel Canadian women's economic progress.

Sonia obtained her BA (philosophy) from Vassar College and her BCL and LLB degrees from McGill University. In 2023, she obtained a Certificate in Climate Change Policy & Practice from the University of Toronto. Sonia was called to the Québec bar in 1988 and the Ontario bar in 1994.
