## Law School

Queen's University

## Industries

Retail & Consumer Markets (RCM)

Banking & Financial Services

## Practices

Mergers & Acquisitions

Capital Markets

Sarah Ferguson is an associate in the Business Law Group in Toronto. She maintains a general corporate and commercial law practice advising across a broad range of industries, including retail and consumer markets, capital markets, banking and the tech industry. She also advises start-ups in a variety of industries as part of the MT>Ventures program. She has a wide variety of experience drafting and negotiating commercial agreements with multiple stakeholders and providing advice on ongoing corporate and commercial matters.

Recent representative experience includes advising:

- L'Oreal Canada subsidiary SalonCentric Canada in its acquisition all assets of Alternative Beauty Services Ltd. in Canada
- The Purchasers in a Private Placement Issuance by Great Lakes Power Holdings LP, Canada Atlantis Hydro Holding LP and Algoma Hydro Holding LP of Series A Senior Secured Bonds in the aggregate principal amount of approximately \$346 million
- Nestlé S.A. in its US\$5.75 billion acquisition of core brands of The Bountiful Company to integrate into the Nestlé Health Science business line
- Toronto Dominion Bank in its public offering of \$3 billion of medium-term notes (non-viability contingent capital) constituting subordinated indebtedness of the Bank
- Mondelez International in its acquisition of a significant majority interest in Give & Go from Thomas H. Lee Partners
- Research Capital Corporation, as co-lead agent and joint bookrunner, in the \$22.6 million brokered private placement of flow-through shares by Dolly Varden Silver Corporation

Sarah received her JD from Queen's University in 2019. She was a caseworker in the Queen's Business Law Clinic where she provided pro bono legal services to local entrepreneurs, small businesses and not-for-profit organizations. She worked as a Teaching Assistant for an undergraduate Business Law course at the Smith School of Business and as a Research Assistant developing a business law simulation for Queen's Intelligent
