Team Value and Skills

Kate Blaney is a paralegal in the Business Law Group in Québec City. She specializes in transportation law and regulatory law. Kate assists the firm's clients with respect to permits, licenses, authorizations and with regulatory investigations related to trucking, bus and rail transportation.

Experience

Kate has extensive experience in carrier profile report analysis, moving violations, vehicle inspections, and accidents. Kate regularly assists motor carriers and their drivers regarding safety and compliance issues. She regularly contacts the Commission des transports du Québec, the Société de l'assurance automobile du Québec and the Contrôle routier Québec, regarding permit applications, carrier authority, and company registration. Kate also supports carriers and drivers in their dealings with enforcement and regulatory agencies regarding safety and compliance issues. In addition, Kate carries out corporate registration filings for entities located within and outside of Canada.
