t. 416-601-7893

Henry Kwan is an e-Discovery Analyst in our Toronto office who works closely with members of the Litigation Support team with the processing of electronically stored data using enterprise and e-Discovery litigation software.

Henry first started with McCarthy Tétrault in 2011 with the IT Support team as a Service Desk Analyst providing technical support to lawyers, legal assistants and staff. He enjoys tackling new problems, troubleshooting issues, and helping others. At the start of 2018 Henry joined the Litigation Support Team.

Henry has a Bachelor of Applied Arts degree from Ryerson University specializing in Business and Information Management.

In his spare time Henry enjoys travelling, hiking and various racquet sports.
