Team Value and Skills

Miryam Bonin is a paralegal in the firm's Litigation Group in Montréal. She is involved in various case phases, and her practice areas include organizing and analyzing evidence, preparing examination summaries, conducting legal research, managing and preparing responses to commitments, and reporting. She also provides support to lawyers throughout the litigation process.

Experience

Prior to joining McCarthy Tétrault, Miryam worked at a notarial firm for several years, focusing primarily on real property and estate litigation. Her professional background has given her the opportunity to develop strong organizational skills. She also earned honourable mentions throughout her academic career, demonstrating her passion and diligence. She continues to acquire experience as a way to ensure the most efficient service for the firm's clientele.

Certifications and Education

- College diploma, paralegal technology (2017)
- *President's honour roll (2014, 2015, 2016) for having maintained an overall of above 85%*
