Delivering deep market insights and technical expertise, Michel effectively navigates clients through critical tax issues

Michel is a partner in the Business Law Group and National Tax Group, located in Québec.

Widely regarded as an exceptional tax practitioner, Michel has significant tax planning capabilities and combines commercial acumen with technical knowledge to deliver pragmatic advice that directly serves clients' business goals. He also offers considerable experience in M&A with a particular focus on cross-border in-bound structures and strong expertise in capital markets.

Michel is experienced in domestic and international taxation matters and has specialized expertise in structuring domestic and multi-national commercial acquisitions, divestitures, reorganizations, financing, and business combinations.

He advises clients on the tax aspects of ongoing business operations and counsels Canadian and foreign multinational corporate groups, investment funds, including private equity funds, REITs, and pension funds, on the establishment and administration of tax-efficient investment vehicles and other structures in Canada.

Michel has a strong reputation within the business community and is a regular presenter and publisher. He is a member of the Canadian Tax Foundation, Association de Planification Fiscale et Financière, and the Québec Bar Association.

RECENT EXPERIENCE:

- Acted for Hines, a privately owned global real estate investment firm with US \$96.5 billion of assets under management worldwide, in connection with the structuring of its co-ownership arrangement with Ivanhoé Cambridge to develop and manage Bay Park Centre, a multibillion dollar real estate development project.
