Law School

Université de Montréal

Janie completed her law degree at University of Montreal and graduated in May 2020. During her studies, she received awards for excellence in administrative law and public international law, and her academic achievements earned her a place on the Dean's list. She then successfully passed the Quebec Bar exam last fall. Prior to her legal studies, Janie completed her DEC in Social Sciences - International Profile and won the program's award of excellence.

During her studies, she worked for a non-profit organization specializing in public legal education and was involved in an organization at the Faculty of Law of the University of Montreal helping students cope with mental health issues. She has also worked as a court clerk at the Chambre de la sécurité financière.

In her spare time, Janie enjoys a variety of sports, especially skiing and wakeboarding.
