Team Value and Skills

Linda Raffaghello is a law clerk in our Securities Regulation & Investment Products Group in Toronto. Linda assists clients engaged in securities trading and advising with their registration and licensing under securities legislation and with self-regulatory organizations. She regularly attends to the preparation and filing of documentation relating to initial registration and ongoing compliance requirements.

Experience

Linda started in our Business Law department in 1981, and has worked in the registration area for over 25 years. She has extensive experience with filings prepared and submitted through the National Registration Database.

Certifications and Education

- Humber College, Business Diploma, Legal Assistant Profile, 1980
- BA, University of Toronto, 1984
