t. 403-463-3993

Elizabeth Turner is an e-Discovery Analyst in our Toronto office who works closely with members of the Litigation Support team with the processing of electronically stored data using e-Discovery litigation software.

Elizabeth has over ten years of experience as a litigation support professional in firm, vendor and government environments.

Elizabeth has a law clerk diploma from Georgian College. She also has received her e-Discovery Specialist certificate from Nuix and the e-Discovery Advanced Theory and Practices certificate from the Institute of Law Clerks of Ontario in 2017.

In her spare time Elizabeth enjoys spending time with her dog and travelling.
