ESG and Sustainability

Jessica Vona is an associate of the Business Law group in the Montreal office. Her practice focuses on corporate law and securities, and more specifically in mergers and acquisitions of companies in the public and private sectors, capital markets, corporate financing, corporate governance and continuous disclosure obligations.

Jessica is an active member of her community and is involved in several non-profit organizations. She is also a board member of the International Circle of Young Leaders, in association with the International Economic Forum of the Americas. She has also been involved with the Information Technology Committee of the Young Bar of Montreal for several years.

During her studies, Jessica was a research assistant in international investment law et worked at the Cyberjustice Laboratory of Université de Montréal. Jessica is fluent in French, English, Spanish and Portuguese.
