Haj'Aina Irintsoa Rabenarivo is an Immigration Technician in our MT>*ipius* division in Montreal.

Haj'Aina was inspired to pursue a career in the legal field because she is a people-oriented person. She wanted to learn more about the legal field and make a difference in the lives of immigrants who face discrimination in the legal system. This led her to pursue her Master of Laws degree in International Private Law at the Université de Montréal, where she is currently working on her thesis on discrimination and immigration law.
