Using game-changing industry insight and comprehensive knowledge, clients get solutions to their most complex corporate and commercial law matters.

Jody is a partner in the Vancouver office and a member of the firm's Business Law and Financial Services Group. Known for her in-depth experience and holistic approach, her practice is primarily focused in the areas of infrastructure development, project finance, and general corporate and commercial law.

She brings a lot of knowledge and experience in terms of her knowledge of our company and the sector

— CHAMBERS CANADA

Clients value Jody's outstanding track record and her commitment to their business which allows her to tailor her approach to best target all aspects of their projects. Jody advises clients on a broad range of project and governance matters across various industries and sectors. Prior to joining McCarthy Tétrault, Jody was the Director of Legal Services for the Vancouver Airport Authority where she oversaw virtually all aspects of its legal services, including construction and engineering, commercial development, and treasury and finance. Jody has also acted as lead counsel and corporate secretary to one of the world's premier international airport developer and operators. She regularly draws upon this experience to offer clients a broader perspective while delivering value and seamless coverage.

Her personal style and commitment to getting done what needs to get done

— CHAMBERS CANADA

Some of Jody's recent transactions include:

- advising a member of the successful bidder in connection with the financing and development of an airline passenger terminal at John F. Kennedy International Airport;
- advising a member of the successful bidder in connection with the redevelopment and operation of retail space at the Chicago Midway International Airport;
- advising a partner in connection with the negotiation and implementation of a transportation-related innovation joint venture;
- advising a Canadian infrastructure concessions company in connection with the L.F. Wade International Airport Redevelopment Project, a 30-year concession granted by the Government of Bermuda to finance, construct and operate a new airport terminal;
