

Your needs are evolving. So are we.

McCarthy Tétrault presents **MT>Align**: high-calibre independent **contract lawyers when you need them, where you need them.**

You've got staffing needs.

- Gap lawyers to cover for parental or other leaves
- Embedded lawyers for short or long term projects
- Specialized lawyers on a part-time or temporary basis

We've got solutions.

- Agile, flexible staffing
- Competitive and predictable pricing models
- Scaling to fit your needs

Let us be your partners to help manage in-house workloads more strategically:

- **We have the platform:** seamlessly providing optimal candidates that receive MT>Align training and have access to MT>Align templates and tools.
- **We have the talent:** leveraging McCarthy Tétrault's network and alumni community we gather the best in class. We select, interview, and vet each contract lawyer vigorously.
- **We are committed to your success:** we continuously assess the capability and performance of our MT>Align contract lawyers to make sure you get the right candidate for your needs and are completely satisfied.

Benefit from MT>Align by:

- Being strategic with your workforce, focusing your in-house team on high value-add work
- Managing peaks in workload without taking on additional headcount
- Controlling costs while delivering quality work with greater efficiency

MT>Align and MT>Divisions

MT>Align is a part of MT>Divisions. MT>Divisions is a group of new business that have been either acquired or developed by McCarthy Tétrault. Each business operates as a separate division and leverages business, data, technology and other consultants to provide solutions for clients. Current divisions include MT>3 (data management services), MT>Align (legal support services), MT>Play (global gaming consultancy) and MT>ip/us (business immigration services).
