- **April 6, 2020:** The Canada Border Services Agency has temporarily changed the regulations for driving U.S.-plated vehicles in Canada. The Canada Border Services Agency will facilitate entry for residents driving U.S.-plated vehicles by permitting the temporary import of U.S. vehicles without paying duties and taxes for up to 60 days from the date of importation in accordance with the *Temporary Importation of Conveyances by Residents of Canada* ([link](#)).
- **April 5, 2020:** The Minister of Transport, the Honourable Marc Garneau, announced new measures to reduce the risk of COVID-19 transmission on commercial passenger vessels and ferries ([link](#)).
- **April 3, 2020:** The Government of Canada partnered with Amazon Canada for the distribution of personal protective equipment and supplies ([link](#)).
- **April 3, 2020:** The Canadian Armed Forces will be dispatched to Nunavik in northern Québec to support the community during a regional lockdown.
- **April 2, 2020:** Public Safety Canada developed a set of functions deemed essential in the context of the COVID-19 pandemic to help provinces/territories, Indigenous communities, and municipalities protect their communities while maintaining the reliable operation of critical infrastructure services and functions to ensure the health, safety, and economic well-being of the population. The guidance is not, nor should it be considered to be a federal directive or standard. Further information on Public Safety Canada's guidance on essential services and functions in Canada during the COVID-19 pandemic can be found [here](#).
- **March 28, 2020:** The Government of Canada introduced new domestic transportation measures. All air operators must conduct a health check of travellers before they board a flight within Canada or departing from Canada, based on guidance from the Public

Health Agency of Canada. Passengers that present COVID-19 symptoms must be refused by air operators. Individuals who are refused will not be able to travel for a period of 14 days, or until a medical certificate is presented confirming that the traveller's symptoms are not related to COVID-19. They must also notify travellers that they may be subject to provincial or territorial measures at their final destination. Similar restrictions apply to rail companies. More on these orders can be found [here](#).

- **March 26, 2020:** All in person Service Canada Centres have closed ([link](#)).
- **March 25, 2020:** *An Act respecting certain measures in response to COVID-19* has been enacted. It amended the *Canada Labour Code* to include a COVID-19 related leave of up to 16 weeks and additional job protections. It also amended other laws to assist with implementing the Government of Canada's emergency response ([link](#)).
- **March 25, 2020:** The Government of Canada has mandated an immediate 14 day quarantine for all Canadians returning to Canada as of 11:59 pm on March 25, 2020. The Government of Canada has advised that this mandated quarantine will be enforced under the *Quarantine Act*.
- **March 24, 2020:** Parks Canada temporarily suspended all motor vehicle access to all national parks, national historic sites and national marine conservation areas. These measures are effective as of 12:01 a.m. on March 25, 2020 ([link](#)).
- **March 19, 2020:** All Canadians returning home from travel outside of Canada urged to self-isolate for 14 days.
- **March 18, 2020:** Government of Canada, in conjunction with the United States, closed the Canadian-US border to all non-essential travel.
- **March 16, 2020:** Government of Canada banned the entry of all non-Canadian or non-permanent residents into Canada.
- **March 14, 2020:** Government of Canada issued a travel advisory to avoid all non-essential travel outside of Canada and all travel by cruise ship. Canadians were urged to return home via commercial means while they still remain available.
- Further information is available on the Government of Canada's [website](#).
- To date the Government of Canada has imposed emergency measures under the *Quarantine Act*, the *Aeronautics Act*, and other federal legislation. It has not yet invoked its extraordinary powers under the *Emergencies Act*. Further information on the federal government's emergency powers, can be found on our "Can they do that?" series of explainers, available on [our COVID-19 hub](#).

British Columbia

- **April 19, 2020:** Police and enforcement officers can now issue \$2,000 tickets for violations. They will also enforce the ban on reselling essential goods and supplies and price gouging ([link](#)).
- **April 17, 2020:** The Government of British Columbia announced a temporary change under the *Emergency Program Act*, to allow strata corporations to hold meetings electronically ([link](#)).
- **April 17, 2020:** The British Columbia Supreme Court extended the adjournment of all civil and family hearings scheduled before May 1, 2020, to all civil and family hearings scheduled before May 29, 2020. The suspension of filing and service deadlines for civil and family matters was also extended to May 29, 2020. All jury selections have been cancelled up to and including July 3, 2020 ([link](#)).
- **April 17, 2020:** The Provincial Court of British Columbia announced that matters related to public health and safety and the COVID-19 pandemic, including matters under the *Quarantine Act*, *Public Health Act* and similar statutes and regulations, will be considered urgent hearings and will proceed with all participants appearing by telephone or video conference ([link](#)).

- **April 16, 2020:** The Government of British Columbia launched Here2Talk, a free mental-health counselling service for post-secondary students ([link](#)).
- **April 16, 2020:** The Insurance Corporation of British Columbia announced further steps to reduce the financial burden for drivers during the COVID-19 pandemic, including waiving the fees for cancelling and then re-insuring vehicles, and allowing fleet vehicle customers to suspend their insurance, among other measures ([link](#)).
- **April 16, 2020:** The Government of British Columbia launched the B.C. Business COVID-19 Support Service to act as a one-stop resource to answer questions about supports available to businesses from the provincial and federal governments, industry and community partners ([link](#)).
- **April 16, 2020:** The Government of British Columbia announced it will reduce most commercial property tax bills by an average of 25%, along with new measures to support local governments facing temporary revenue shortfalls as a result of COVID-19 ([link](#)).
- **April 15, 2020:** The Government of British Columbia extended the state of emergency to April 28, 2020 ([link](#)).
- **April 15, 2020:** The Provincial Health Officer issued a revised Facility Staff Assignment Order, which amends a prior order made April 10, 2020, to enable long term care facility workers to work at a single facility ([link](#)).
- **April 15, 2020:** The Government of British Columbia temporarily extended hours of retail liquor service to provide a greater opportunity for physical distancing for seniors and people who are immunocompromised. Delivery services are also authorized to purchase unopened liquor products from a liquor store during the same extended hours ([link](#)).
- **April 15, 2020:** The Government of British Columbia will install portable toilets at vehicle pull-outs and inspection stations to improve travel for commercial truck drivers ([link](#)).
- **April 14, 2020:** The Provincial Health Officer issued a revised Travellers and Employers Order, which revises the previous Travellers and Employers Order made April 10, 2020 ([link](#)).
- **April 14, 2020:** All temporary foreign workers will be required to self-isolate in government-managed accommodations for 14 days before being transported to farms throughout British Columbia ([link](#)).
- **April 10, 2020:** The Provincial Health Officer made an order under the *Public Health Act* requiring travellers that arrive at Vancouver International Airport or at a Canada/US land border crossing to present themselves to a Provincial Information and Support Officer and submit a self-isolation plan. The order also provides guidance to employers of workers and essential workers returning to British Columbia ([link](#)). Dr. Henry also issued an order delegating certain powers under the *Public Health Act* to Provincial Information and Support Officers ([link](#)).

- **April 9, 2020:** The Provincial Health Officer issued an order under the *Public Health Act*, and the Minister of Public Safety and Solicitor General issued an order under the *Emergency Program Act*, which in concert enable long term care facility workers to work at a single facility (link [here](#) and [here](#)).
- **April 8, 2020:** The Minister of Public Safety and Solicitor General issued a new limitations order which exempts mandatory limitation periods and other mandatory time periods established under the *Builders Lien Act* and Division 5, Part 5 of the *Strata Property Act* from the suspension of mandatory limitation periods. This limitations order will take effect on April 15, 2020. All other mandatory limitation periods and other mandatory time periods established in an enactment or law of British Columbia within which a civil action, claim or appeal must be commenced continue to be suspended ([link](#)).
- **April 8, 2020:** International travelers arriving in British Columbia, must provide a self-isolation plan before entry that demonstrates they have supports in place to self-isolate for 14 days. If sufficient supports are not demonstrated, the traveler may be taken to a provincial accommodation site ([link](#)).
- **April 8, 2020:** BC Parks closed all provincial parks ([link](#)). Overnight camping and motorized recreation (including the use of off-road vehicles) is restricted in the Kooecanusa area for spring and summer ([link](#)).
- **April 8, 2020:** The British Columbia Civil Resolution Tribunal (CRT) extended statutory deadlines and waived fees for those struggling financially ([link](#)).
- **April 7, 2020:** The Government of British Columbia acquired 900 spaces at 23 sites for individuals who need a place to self-isolate ([link](#)).
- **April 7, 2020:** Most open burning activities will be prohibited throughout British Columbia as of noon on April 16, 2020 ([link](#)).
- **April 2, 2020:** The Minister of Public Safety and Solicitor General issued a Ministerial Order which protects essential services from being held liable for damages caused by exposure to COVID-19 while continuing to operate, so long as they are complying with orders from the provincial health officer and other authorities ([link](#)).
- **April 2, 2020:** The Ministry of Advanced Education, Skills and Training announced \$3.5 million in emergency financial assistance for students attending public post-secondary institutions ([link](#)).
- **April 2, 2020:** The Ministry of Social Development and Poverty Reduction announced new emergency supports for people on income or disability assistance and low-income seniors ([link](#)).
- **April 1, 2020:** BC Hydro announced a credit for residential customers who have lost their jobs or are unable to work due to COVID-19 to help cover their electricity bills. Small businesses forced to close as a result of COVID-19 will have their power bill forgiven for three months, from April to June 2020. Major industries, such as pulp and paper mills and mines may defer 50% of their bill payments for three months. Further details are available [here](#).

- **April 1, 2020:** The provincial health officer issued guidelines to support compliance with orders on business closures and gatherings, under the *Public Health Act*. The new guidelines provide instruction on warnings, public education, and fines ([link](#)).
- **April 1, 2020:** The Ministry of Education has secured and funded licences for the application Zoom for all K-12 public and independent schools in British Columbia ([link](#)).
- **March 31, 2020:** The Government of British Columbia extended the state of emergency through to the end of day on April 14, 2020. Evictions have been halted. The Government of British Columbia is also amending the *Employment Standards Act* to protect jobs for those unable to work for reasons related to COVID-19 and intends to launch a process to match essential service workers with child care in their communities while supporting child care providers with temporary emergency funding. Further information on these measures can be found [here](#).
- **March 30, 2020:** Youth and young adults that are receiving care through government assistance will continue receiving the same level of service and will continue to reside where they are during the pandemic, even if they were set to age out ([link](#)). Effective April 1, 2020, pay parking is temporarily suspended at all health authority owned and operated sites ([link](#)).
- **March 29, 2020:** The Minister of Citizens' Services made an order enabling the broader use of communication tools for health-care workers and other public-sector staff who are responding to COVID-19 under the *Freedom of Information and Privacy Protection Act* ([link](#)).
- **March 28, 2020:** Dr. Bonnie Henry ordered that all episodic vending markets (such as farmers markets) must only allow vendors to serve food at these events. Vendors of all other merchandise are prohibited at these events ([link](#)).
- **March 27, 2020:** Limitation periods to commence court proceedings in British Columbia have been suspended, and statutory decision-makers have been provided discretion to waive, suspend or extend time periods related to their powers ([link](#)).
- **March 26, 2020:** Mike Farnworth, Minister of Public Safety and Solicitor General, issued a series of orders in response to COVID-19. First, the government established a Provincial Supply Chain Coordination Unit to co-ordinate goods and services distribution, and to allow the delivery of goods at any time of day. The government banned the resale of food, medical supplies, personal protective equipment, cleaning supplies and other essential supplies, and restricted the quantity of these items that may be purchased. Provincial health officer's orders may now be enforced by municipal bylaw officers. The government also suspended local states of emergency, except in the City of Vancouver. More on these orders can be found [here](#).
- **March 24, 2020:** BC Ferries advised customers to avoid non-essential travel. The Province has closed certain parks and recreational areas.
- **March 23, 2020:** City of Vancouver passed a motion allowing the City to fine businesses up to \$50,000, and individuals up to \$1,000, for not following social distancing rules.

- **March 21, 2020:** Dr. Bonnie Henry, British Columbia’s Provincial Health Officer, ordered the immediate closure of personal service establishments – like barbershops, salons, nail estheticians, health spas, massage parlours, tattoo shops and others.
- **March 20, 2020:** Dr. Henry ordered owners and operators of premises where food and drink is served, and retail liquor stores, that they may only provide take-out or delivery services. Holders of liquor licenses that do not provide meal service must close.
- **March 18, 2020:** BC Minister of Public Safety and Solicitor General, Mike Farnworth, declares provincial “state of emergency” under the *Emergency Program Act*. The declaration will be in effect for 14 days, but can be extended. Mike Farnworth also announced that the provincial legislature would convene on Monday, March 23, 2020 to discuss amendments to the British Columbia’s *Employment Standards Act* to protect individuals affected by COVID-19 and the measures imposed to contain it.
- **March 17, 2020:** Dr. Henry declared a “public health emergency” under British Columbia’s *Public Health Act*. Dr. Henry ordered travelers who have returned to Canada on or after March 12, 2020 to self-isolate for 14 days. Dr. Henry also ordered all bars, nightclubs and pubs to close. Businesses that remain open, such as grocery stores and pharmacies, must take measures to ensure social distancing. Restaurants and cafes that cannot meet the social distancing requirement must switch to take-out only.
- **March 16, 2020:** Dr. Henry issued an order prohibiting owners, occupiers and operators from allowing gatherings of 50 people or more. This had the effect of closing public spaces from community centres to swimming pools and libraries in municipalities across the province.
- Further information is available on the Government of British Columbia’s [website](#).
- Further information on the B.C. government’s emergency powers, can be found on our “Can they do that?” explainer, [here](#).

Alberta

- **January 7, 2021:** The Government of Alberta announced that the current mandatory public health measures will remain in effect across the province until at least January 21, 2021 ([link](#)).
- **December 8, 2020:** The Government of Alberta announced that effective immediately, all indoor and outdoor social gatherings are prohibited and mandatory indoor public masking extends province wide ([link](#)).
- **December 8, 2020:** The Government of Alberta announced that effective December 13, 2020 at 12:01am, there will be additional operational restrictions on places of worship and retail businesses across the province. Other kinds of businesses have been ordered to close. A full list of restrictions and closures can be found [here](#).
- **December 8, 2020:** The Government of Alberta announced that effective December 13, 2020 at 12:01am, mandatory work from home measures will be implemented unless the employer determines that work requires a physical presence for operational effectiveness ([link](#)).

- **November 27, 2020:** The Government of Alberta announced that certain Alberta peace officers and community peace officers have been granted temporary authority to enforce public health orders ([link](#)).
- **November 25, 2020:** Alberta Health Services announced that effective November 25, 2020, temporary measures will be in place for visitor access to AHS acute care sites that have an outbreak or are in communities where COVID-19 transmission is high ([link](#)).
- **November 24, 2020:** The Government of Alberta announced that, effective immediately, mandatory restrictions are in effect province wide. These restrictions will be in place until further notice. These restrictions include: i) no indoor social gatherings in any setting, including workplaces; ii) outdoor gatherings are limited to no more than 10 people; and iii) funeral services and wedding ceremonies must follow all public health guidance, are limited to no more than 10 people, and receptions are not permitted ([link](#)).
- **November 24, 2020:** The Government of Alberta announced that, effective immediately, masks are mandatory for indoor workplaces in Edmonton, Calgary, and the surrounding areas. This measure will be in effect until further notice. Additional restrictions were also placed on places of worship and businesses in these areas ([link](#)).
- **November 24, 2020:** The Government of Alberta announced that in all schools, students in Grades 7-12 will move to at-home learning starting November 30, 2020. Students in early childhood services and Grades K-6 will remain learning in-person until December 18, 2020. All students will return to at-home learning after the winter break and resume in-person learning on January 11, 2021 ([link](#)).
- **November 12, 2020:** The Government of Alberta announced new targeted public health measures that will take effect November 13, 2020 to help control the spread of COVID-19 ([link](#)).
- **October 29, 2020:** The Government of Alberta announced that all social gatherings in Calgary and Edmonton are limited to 15 people, including gatherings for dinner parties, wedding and funeral receptions, and banquets ([link](#)).
- **October 22, 2020:** The Government of Alberta announced a new pilot program in conjunction with the Government of Canada that will see COVID-19 testing become available at the Coutts land border cross and the Calgary International Airport starting November 2, 2020. This would allow people to quarantine for less than 14 days if their test is negative and they receive a second test on day six or seven after arrival ([link](#)).
- **October 20, 2020:** The Government of Alberta announced that it is pausing asymptomatic COVID-19 testing to help reduce testing wait times, speed up results and limit the spread ([link](#)).
- **October 8, 2020:** The Government of Alberta announced that it is implementing voluntary public health measures to help prevent the spread of COVID-19 in the Edmonton Zone ([link](#)).

- **June 23, 2020:** The Government of Alberta's environmental reporting temporarily paused by government during the provincial public health emergency will resume on July 15, 2020. It will resume four weeks earlier than planned ([link](#)).
- **June 8, 2020:** The Government of Alberta announced that Albertans can now access 20 million free, non-medical face masks to help prevent the spread of COVID-19 ([link](#)).
- **June 4, 2020:** Long-term changes to Alberta's nursing homes regulations will come into effect on August 15, 2020. Changes will be made to the two regulations under the *Nursing Homes Act*: the Nursing Homes General Regulation and the Nursing Homes Operation Regulation ([link](#)).
- **May 12, 2020:** *Bill 13: Emergency Management Amendment Act, 2020 (No. 2)* came into force, allowing police enhanced authority during a state of emergency, allowing municipalities to declare a 90-day state of local emergency, and granting the Government of Alberta powers to cancel, rescind or restrict actions taken by a municipality pursuant to a state of local emergency ([link](#)).
- **May 5, 2020:** The Government of Alberta introduced new orders that will allow individual COVID-19 test results to be provided to police if an individual had deliberately put an officer at risk by coughing, sneezing or spitting on the officer. The new orders also expand the number of health-care practitioners who are able to assist in contact tracing ([link](#)).
- **May 4, 2020:** The Government of Alberta suspended time limitations set out in legislation (including the *Adult Adoption Act*, the *Assured Income for the Severely Handicapped Act*, the *Income and Employment Supports Act*, etc.) including for appeals of decisions on Community and Social Services programs. Appeals can still be filed. If proper isolation and physical distancing measures can be maintained—and all of the necessary steps taken for the appeal to be filed—a decision can be appealed ([link](#)).
- **May 4, 2020:** The Government of Alberta temporarily changed regulations to permit nurse practitioners to act as primary care providers in nursing homes, admitting and assessing residents, as well as offering follow-up care. Changes will also enable nurse practitioners and other qualified health professionals to prescribe medication and order treatments in nursing homes, according to their scopes of practice ([link](#)).
- **May 3, 2020:** The Government of Alberta modified the *Occupational Health and Safety Code* to add additional approved respiratory protective equipment required for use at a work site ([link](#)).
- **April 29, 2020:** The Government of Alberta exempted individuals in the Fort McMurray area who are engaged in flood suppression and prevention activities from the physical distancing orders ([link](#)).
- **April 29, 2020:** The Government of Alberta made orders related to long-term care and supportive living environments. There will be more expansive testing and new measures will allow for individuals to continue to receive treatment for addictions ([link](#)).
- **April 28, 2020:** The Government of Alberta announced that it will offer corporate registry services, personal property services and select motor vehicle services remotely ([link](#)).

- **April 24, 2020:** The Government of Alberta announced rent relief of 50% for small businesses through the federal-provincial Canada Emergency Commercial Rent Assistance Program (CECRA). Landlords and tenants are each responsible for 25% of the remaining costs ([link](#)).
- **April 24, 2020:** The Minister of Labour and Immigration issued an order updating requirements for health care workers respecting working for more than one employer or at more than one worksite, including (a) selection of the worksite or employer (b) leaves of absence, (c) scheduling of workers, and (d) dispute resolution ([link](#)).
- **April 24, 2020:** The Site Rehabilitation Program will launch on May 1, 2020, creating around 5,300 jobs to perform reclamation work on well, pipeline, and oil and gas sites ([link](#)).
- **April 23, 2020:** The Government of Alberta has developed a mobile contact tracing application called *AB TraceTogether*. The application will be available for voluntary download ([link](#)).
- **April 22, 2020:** The Court of Queen's Bench extended limiting hearings to only emergency and urgent matters to May 31, 2020, and the adjournment of criminal jury trials and jury selections to September 8, 2020 ([link](#)).
- **April 17, 2020:** The Chief Medical Officer can now compel Health Care Facilities operators to disclose information about staff members in order to restrict movement of staff members among health care facilities ([link](#)).
- **April 17, 2020:** The Government of Alberta extended the filing due date for the IFTA Quarterly Tax Return to June 30, 2020 ([link](#)).
- **April 17, 2020:** Camping reservations at Alberta Parks have been suspended and will be refunded up to and including May 19, 2020 ([link](#)).
- **April 16, 2020:** Alberta Health and Alberta Health Services created an Alternative Relationship Plan to pay physicians who adjust their practice to provide care for Albertans during the COVID-19 pandemic ([link](#)).
- **April 14, 2020:** Alberta Community and Social Services will allow direct assistance for food to be provided to individuals and families during the pandemic ([link](#)).
- **April 14, 2020:** Military families have been added to the list of provincial workers who can access child care ([link](#)).
- **April 14, 2020:** In preparation for wildfire season, the Government of Alberta will hire 200 additional fire fighters, invoke a fire ban, implement off-highway vehicle restrictions, increase fine violations, and fund community FireSmart initiatives ([link](#)).
- **April, 13, 2020:** The Chief Medical Officer issued conditions for exemptions from mandatory isolation for quarantined or isolated persons who are required to take minor children for scheduled medical care, or who have minor children who require emergency care or admittance to a hospital or other medical facility ([link](#)).

- **April 12, 2020:** The Government of Alberta launched a charitable giving matching donation program to increase support to charities responding to COVID-19 ([link](#)).
- **April 10, 2020:** Service Alberta issued an order to help organizations and businesses comply with legislative and regulatory provisions related to time, location, distance, access to information and collection of utility payments. Further information can be found [here](#).
- **April 10, 2020:** Effective next week, continuing care workers will be required to wear masks when providing direct patient care or working in patient care areas. They may also only work at one site ([link](#)).
- **April 9, 2020:** The Government of Alberta launched the Agriculture Jobs Connector. The new Agriculture Jobs Connector website is a tool for Albertans to find essential agriculture work opportunities and for essential agriculture businesses to find workers ([link](#)).
- **April 9, 2020:** A temporary health measure will allow international visitors to receive health care, even if they do not have coverage ([link](#)).
- **April 8, 2020:** The Government of Alberta deferred specific reporting requirements for energy companies under the *Coal Conservation Act*, the *Oil and Gas Conservation Act* and the *Oil Sands Conservation Act* ([link](#)).
- **April 8, 2020:** Electronic hearings before the Alberta Court of Appeal are open to participants, their counsel and the accredited media which represents the public interest. Non-lawyer participants are required to sign an Undertaking prohibiting recording and rebroadcasting of Court proceedings ([link](#)).
- **April 7, 2020:** Pursuant to a new public health order, visitors are prohibited from attending long-term care centres, licensed group homes and other facilities, unless a resident is dying ([link](#)).
- **April 7, 2020:** The Government of Alberta proposed amendments to the *Emergency Management Act*. The amendments include: (1) allowing states of local emergency to last for 90 days, (2) clarifying language regarding offences for non-compliance with emergency orders, (3) clarifying that the minister can modify a state of emergency without terminating it, and (4) clarifying that a state of emergency can be for any pandemic ([link](#)).
- **April 6, 2020:** The Government of Alberta has enacted changes to Alberta's *Employment Standards Code* and *Employment Standards Regulation*. The changes are: (1) the maximum length of a temporary layoff will be increased from 60 days to 120 days, (2) the 24 hour written notice requirement for employers to notify employees of a shift change has been removed, (3) employers are no longer required to provide notice of group termination to affected employees, unions or the Minister of Labour and Immigration, (4) the process for obtaining a variance or exemption under the *Employment Standards Code* will be streamlined to enable employers better flexibility to adapt to rapidly changing working conditions, and (5) employees who have had to take time off work due to COVID-19 will have the ability to access unpaid job-protected leave. Further information on these changes can be found [here](#).

- **April 6, 2020:** Alberta Health Services has prohibited visitors to long-term care, supportive living, congregate living, hospice care and acute care settings, with limited exceptions ([link](#)).
- **April 4, 2020:** The Minister of Health established the Calgary Homeless Foundation and HomeSpace society to provide services to operate Lakeview Signature Suites in Calgary as an isolation centre serving homeless or home insecure individuals who have tested positive for COVID-19 ([link](#)).
- **April 3, 2020:** The Government of Alberta launched the “Bits and Pieces” program with more than 1,100 offers of support from private and non-profit organizations. Offers include commercial vehicles, hotel rooms and mobile trailers, food and water services, hospital gowns, face masks, ventilators and other personal protective equipment ([link](#)).
- **April 2, 2020:** It is now free for healthcare workers and the public to park at all Alberta Health Services facilities ([link](#)).
- **April 2, 2020:** New outbreak standards were implemented in supportive living, long-term care, and residential addiction treatment centers. These standards direct how to deploy staff and resources where most needed, implement isolation measures, and ensure staff have up-to-date training on care and protective equipment in an effort to contain the virus ([link](#)).
- **April 2, 2020:** The Minister of Justice and Solicitor General ordered that limitation periods be suspended from March 17, 2020 to June 1, 2020. Additionally, any period of time within which any step must be taken in any proceeding or intended proceeding is suspended from March 17, 2020 to June 1, 2020, subject to the discretion of the court, tribunal or decision-maker. The order can be found [here](#).
- **April 2, 2020:** Royal assent is given to Bill 10: *Public Health (Emergency Powers) Amendment Act, 2020* ([link](#)), Bill 11, *Tenancies Statutes (Emergency Provisions) Amendment Act, 2020* ([link](#)) and Bill 12, *Liabilities Management Statutes Amendment Act, 2020* ([link](#)).
- **April 2, 2020:** Service Alberta will allow the Land Titles Office to register documents that have been witnessed, sworn or affirmed by Alberta lawyers using two-way video conferencing ([link](#)).
- **April 1, 2020:** The Government of Alberta expanded child care eligibility to include children of critical infrastructure workers and first responders and anyone outlined as essential by government. Child care services were previously only available to front-line health-care workers ([link](#)).
- **April 1, 2020:** The Government of Alberta partnered with the Canadian Food Inspection Agency (CFIA) to increase food inspector capacity and meet increased demand in the food processing industry ([link](#)).
- **April 1, 2020:** The Chief Medical Officer provides conditions for the exemption from mandatory self-isolation for quarantined or isolated persons who require COVID-19 testing or require emergency care or critical care for pre-existing medical conditions ([link](#)).

- March 31, 2020:** The Government of Alberta proposed three new bills: (i) Bill 10, *Public Health (Emergency Powers) Amendment Act, 2020* will provide law enforcement agencies full authority to enforce public health orders during a pandemic; (ii) Bill 11, *Tenancies Statutes (Emergency Provisions) Amendment Act, 2020* will ensure no one will be retroactively charged for residential rent increases or late fees while the state of public health emergency is in effect; and (iii) Bill 12, *Liabilities Management Statutes Amendment Act, 2020*, which will enable the Government of Alberta to clarify and enable expanded, delegated authority for the Orphan Well Association to maintain and manage orphan sites ([link](#)).
- March 31, 2020:** The Lieutenant Governor in Council announced the *Electronic Documents Regulation*, prescribing requirements for electronic documents filed at the Provincial Court of Alberta ([link](#)).
- March 30, 2020:** Albertans under mandatory self-isolation (such as those returning from travel, experiencing COVID-19 symptoms, or in close contact with a person who tested positive for COVID-19) will be required to remain inside and can only go for walks on their own property for the duration of their self-isolation. People isolating who live in apartment buildings or high-rises must stay inside and cannot use the elevators or stairwells to go outside. If an individual becomes sick during self-isolation, they must self-isolate for an additional 10 days from the beginning of symptoms or until they are feeling well, whichever takes longer ([link](#)). The deadline to submit compliance reports and emissions reduction plan reports under the *Technology Innovation and Emissions Reduction Regulation* is extended to June 30, 2020 ([link](#)). The deadline for fuel suppliers, approved contributors, and renewable fuel providers to submit compliance reports under the *Renewable Fuel Standard Regulation* is extended to June 30, 2020 ([link](#)). A variety of reporting requirements under the *Environmental Protection and Enhancement Act*, *Water Act*, and *Public Lands Act* have been suspended ([link](#)).
- March 28, 2020:** Alberta adjusted funding for schooling in order to reallocate funds not being utilized to Alberta's COVID-19 response ([link](#)).
- March 27, 2020:** The Provincial Court of Alberta closed all of its case management offices. The Court of Queen's Bench will allow remote commissioning of affidavits in certain situations. Alberta Transportation extended the timeline to 90 days for most drivers requiring a medical evaluation to complete their medical form when applying for or renewing their licence. The Alberta Emergency Management Agency Unsolicited Offers Program was set up in response to growing offers of generosity from individuals and organizations to help with the challenges many Albertans are facing due to the COVID-19 pandemic ([link](#)). Service Alberta suspended civil enforcement of evictions for non-payment of rent to April 30, 2020 ([link](#)) and prohibits landlords from increasing rent and charging fees in respect of late rental payments. The Minister of Environment and Parks restricted access to public lands, provincial parks and recreation areas to employees, law enforcement and emergency personnel.
- March 27, 2020:** Alberta's Chief Medical Officer passed a Public Health Order prohibiting public gatherings in excess of 15 people, requiring all persons to maintain a minimum of 2 meters distance from one another, and mandating the closure of all non-essential businesses including personal services, wellness services, and retail stores ([link](#)); violation is subject to fines. A list of essential business services can be found [here](#). The Alberta Minister of Health issued a Public Health Order increasing fines

for violations of the *Public Health Act* to \$100,000 for a first offence and \$500,000 for subsequent offences ([link](#)) (Order repealed on April 2, 2020 upon passage of Bill 10: *Public Health (Emergency Powers) Amendment Act, 2020*).

- **March 26, 2020:** The Lieutenant Governor in Council issued [Order in Council 100/200](#) amending the *Procedures Regulation* to allow community and police officers to issue fines of \$1000 for violation of public health orders.
- **March 25, 2020:** Government of Alberta specified the eligibility requirements to receive emergency isolation support payment; qualifying applicants will receive a one-time payment of \$1,146.
- **March 25, 2020:** Government of Alberta announced that through amendments to the *Procedures Regulation* under the *Provincial Offences Procedures Act*, peace and police officers will be able to issue tickets to enforce COVID-19 Public Health Orders (orders subject to fines for violation include those respecting self-isolation and mass gatherings; a full list can be found [here](#)). Fines for violating Public Health Orders have increased to a prescribed fine of \$1,000 per occurrence and courts will have powers to administer fines of up to \$100,000 for a first offence and up to \$500,000 for a subsequent offence. Alberta's Chief Medical Officer passed a Public Health Order requiring mandatory 14-day self isolation for international travelers returning to Alberta, mandatory 14-day isolation for close contacts of persons confirmed to have COVID-19, and mandatory minimum 10-day isolation for persons with COVID-19 or experiencing symptoms such as cough and fever ([link](#)); failure to self-isolate is subject to fines. Health care service providers must adhere to new operational protocols ([link](#)).
- **March 23, 2020:** Government of Alberta committed \$25 million to support homeless-serving agencies in response to COVID-19. Further, the Government announced an education property tax freeze, the deferral of education property tax for businesses for six months and the deferral of WCB premiums for private sector businesses (in addition to 50% WCB premium coverage for small and medium private businesses in 2020).
- **March 22, 2020:** Government of Alberta announced it is working to open up 15,000 childcare spaces to assist individuals providing services upon which Albertans are relying during the COVID-19 pandemic.
- **March 20, 2020:** Government of Alberta amended the *Emergency Management Act* with the result that a provincial state of emergency will no longer nullify a local (municipal) state of emergency. As a result, a provincial state of emergency can now supplement and reinforce a local authority's state of emergency. *Note that a state of emergency remains distinct from a public health emergency, and has not yet been declared in the province.* Further, the Government of Alberta struck a provincial economic recovery council to focus on long-term recovery from the crisis and extends a series of energy sector initiatives aimed at enhancing liquidity of energy companies, including: (i) providing 5 months of funding for the Alberta Energy Regulator; (ii) granting extensions for oil and gas agreement tenures; and (iii) extending a loan to the Orphan Well Association. Alberta's Chief Medical Officer, Dr. Hinshaw, restricts attendance at child care programs to children of essential services workers ([link](#)).

- **March 18, 2020:** Government of Alberta announced a series of funding and supportive measures for immediate financial relief to Alberta’s families, vulnerable populations and local businesses, including in respect of: (i) emergency isolation support; (ii) utility payment deferral; (iii) a moratorium on student loan repayment; (iv) relief for ATB Financial and Alberta credit union members; and (v) a deferral on corporate income tax balance collection until August 31, 2020.
- **March 17, 2020:** Government of Alberta declared a provincial public health emergency. Alberta’s provincial government has not yet declared a (broader) provincial state of emergency.
- **March 14, 2020:** Given the rapid global increase in the spread of COVID-19, the Government of Alberta advised that it was no longer possible to assess health risks related to international travel. As such, it recommended against travel outside of Canada.
 - Effective March 12, 2020, all Albertans who are currently travelling outside of Canada should self-isolate on their return for 14 days, independent of the country they were visiting.
- Further information is available on the Government of Alberta’s [website](#).
- Further information on the Alberta government’s emergency powers, can be found on our “Can they do that?” explainer, [here](#).

Saskatchewan

- **December 17, 2020:** The Government of Saskatchewan announced that effective immediately, the mandatory isolation period for COVID-19 positive individuals is being reduced from 14 days to 10 days ([link](#)).
- **December 14, 2020:** The Government of Saskatchewan announced that effective December 17, 2020 at 12:01am, all private indoor gatherings are limited to immediate household members only ([link](#)).
- **December 14, 2020:** The Government of Saskatchewan announced that effective December 19, 2020 at 12:01am, casinos and bingo halls must close. Personal service businesses continue may operate at 50% capacity and event venues, conference facilities, arenas, arts venues, museums, movie and live theatres and banquet facilities may still have events up to 30 individuals, but all individuals must be seated for the duration ([link](#)).
- **December 14, 2020:** The Government of Saskatchewan announced that effective December 25, 2020 at 12:01am, retail services must reduce their capacity to 50% and large retail locations are required to limit their capacity to 25% ([link](#)).
- **December 10, 2020:** The Government of Saskatchewan announced the *Emergency Planning Amendment Act*, which will introduce amendments to emergency planning legislation in response to the COVID-19 pandemic ([link](#)).

- **November 25, 2020:** The Government of Saskatchewan announced that effective November 27, 2020 at 12:01 am, new restrictions will be in place for restaurants and licensed establishments, performance and gaming venues, indoor public event gatherings, sports, fitness, and dance activities, and places of worship. These measures will be in effect until December 17, 2020 ([link](#)).
- **November 25, 2020:** The Government of Saskatchewan announced that mandatory, non-medical mask use is being extended to all indoor fitness activities, with the exception of aquatic activities. Mandatory, non-medical mask use is also being extended to: i) all students, employees, and visitors in all schools and daycares, except for students ages 0-2; ii) all employees and visitors in all common areas in businesses and workplaces, even those to which the public does not have access; and iii) all residents, employees, and visitors in all common areas in provincial and municipal correctional facilities. These measures will take effect November 27, 2020 at 12:01 am ([link](#)).
- **November 17, 2020:** The Government of Saskatchewan announced that non-medical masks will be required in all indoor public spaces in Saskatchewan, starting November 19, 2020 at 12:01am. This measure is to be in effect until December 17, 2020 ([link](#)).
- **November 17, 2020:** The Government of Saskatchewan announced that visitation to all long-term care facilities will be suspended, with the exception of compassionate reasons. This measure will take effect November 19, 2020 and continue until December 17, 2020 ([link](#)).
- **November 17, 2020:** The Government of Saskatchewan announced that the maximum allowable gathering size for private gatherings in the home setting will decrease to 5 people. Entertainment transportation (party buses, group limousines, etc) will no longer be permitted. These measures will take effect November 19, 2020 and continue until December 17, 2020 ([link](#)).
- **November 13, 2020:** The Government of Saskatchewan announced that mandatory masking in indoor public spaces will be extended to all communities with populations of 5,000 people or greater. In addition, all restaurants and licensed establishments will be required to stop serving alcohol by 10:00 pm and all consumption must end by 11:00 pm ([link](#)).
- **November 3, 2020:** The Government of Saskatchewan announced new public health orders that reduce the maximum indoor gathering size to 10 people and make masks mandatory in indoor public spaces in Saskatoon, Regina, and Prince Albert. These orders will take effect on Friday November 6, 2020 at 12:01 am ([link](#)).
- **October 28, 2020:** The Government of Saskatchewan announced a new public health order that will impose restrictions on nightclubs in Saskatoon. The order will take effect on Friday October 30, 2020 ([link](#)).
- **October 13, 2020:** The Chief Medical Health Officer announced that the maximum allowable gathering size in private residents will be reduced to 15 as of October 16, 2020 ([link](#)).
- **June 12, 2020:** The Government of Saskatchewan extended the state of emergency until June 24, 2020 ([link](#)).

- **June 5, 2020:** The Government of Saskatchewan announced temporary commercial eviction protection for small business tenants during the COVID-19 emergency. The moratorium on evictions applies to landlords that are eligible to apply for the Canada Emergency Commercial Rent Assistance (CECRA) program but choose not to ([link](#)).
- **May 28, 2020:** The Government of Saskatchewan extended the state of emergency for an additional two weeks ([link](#)).
- **May 13, 2020:** The Government of Saskatchewan extended the state of emergency for a further two weeks ([link](#)).
- **May 7, 2020:** The Government of Saskatchewan announced that in-class learning will not take place until September, 2020 ([link](#)).
- **May 6, 2020:** The Government of Saskatchewan expanded the northern travel restrictions to include the regions of Stony Rapids and La Ronge ([link](#)).
- **April 30, 2020:** The Government of Saskatchewan announced further travel restrictions for the Northern Saskatchewan Administration District ([link](#)).
- **April 24, 2020:** The Government of Saskatchewan announced a public health order restricting all non-critical travel into northern Saskatchewan, specifically the Northern Saskatchewan Administration District ([link](#)).
- **April 24, 2020:** The Government of Saskatchewan released further information on the timing for the opening of campgrounds and the use of provincial parks ([link](#)).
- **April 23, 2020:** The Government of Saskatchewan announced the Re-Open Saskatchewan plan. The Re-Open Saskatchewan plan introduces five phases to re-open businesses and services across Saskatchewan, beginning May 4, 2020. It also details physical distancing measures and restrictions that will remain in place throughout all five phases ([link](#)).
- **April 20, 2020:** The AgriStability enrollment deadline for the 2020 program year has been extended without penalty to July 3, 2020 ([link](#)).
- **April 17, 2020:** As of April 28, 2020, long-term care and personal care homes must ensure that each staff member works in only one facility. A care home may seek approval from a medical health officer to permit a staff member to work in more than one facility if they are unable to ensure adequate staffing levels as a result of complying with this order. All staff members in long-term care, personal care and affiliate care homes must undergo a health screening prior to entry to the facility, including a temperature check. At all times while on shift, all staff members in long-term care, personal care, and affiliate care homes shall wear, at minimum, a procedural/surgical mask ([link](#)).
- **April 17, 2020:** The Government of Saskatchewan will work with Saskatchewan Association of Rural Municipalities to lift spring road bans for priority goods. Permit requirements for priority goods have been suspended ([link](#)).

- **April 16, 2020:** The Government of Saskatchewan amended *The Pensions Benefits Regulations, 1993*, to put a freeze on transfers or payments out of Defined Benefits plans unless they receive written consent from the Superintendent of Pensions ([link](#)).
- **April 15, 2020:** Wills may be now witnessed remotely where one of the two required witnesses is a lawyer ([link](#)).
- **April 14, 2020:** The Saskatchewan Health Authority will require staff, physicians, learners, trainees, vendors and contractors to be screened daily for influenza like illness as they enter facilities. Additionally, anyone working in patient/client/resident care must wear a mask ([link](#)).
- **April 14, 2020:** The Government of Saskatchewan will implement a series of relief measures for the provincial oil and gas sector including: (i) extending filing and other deadlines; (ii) extending mineral rights, scheduled to expire in 2020, by one year; and (iii) reducing the Oil and Gas Administrative Levy by 50 per cent, whilst delaying invoicing of the remaining balance until October 1, 2020 will be extended by one year ([link](#)).
- **April 13, 2020:** The Financial and Consumer Affairs Authority warned that price gouging is an unfair practice and businesses could face regulatory action and prosecution for engaging in this conduct ([link](#)).
- **April 6, 2020:** Saskatchewan Public Safety Agency released the SaskAlert App to provide emergency public alerts ([link](#)).
- **April 3, 2020:** The Ministry of Health partnered with professional health bodies to provide temporary licenses for retired, non-practicing and student members ([link](#)).
- **March 30, 2020:** The Government of Saskatchewan announced the deadline to apply, reinstate, cancel or make changes to Crop Insurance contracts is extended to April 13, 2020 ([link](#)). Additionally, the hours of service regulations for commercial truck drivers transporting goods and supplies to meet immediate needs related to COVID-19 will be temporarily modified ([link](#)).
- **March 27, 2020:** Provincial parks remain closed and people are advised not to gather in the parks. Tenants that are not able to pay their rent during the state of emergency are expected to pay their rent in full once the state of emergency is over.
- **March 26, 2020:** The Government of Saskatchewan enacted three emergency regulations that enable lawyers to execute and witness certain documents remotely. Further information can be found [here](#).
- **March 25, 2020:** The Government of Saskatchewan has further limited the size of public gatherings to 10 people. Additionally, effective March 26, 2020, “non-allowable business services” will be unable to provide public facing services. The Government of Saskatchewan will provide additional information clarifying allowable and non-allowable business services. Various examples provided to date, can be found [here](#).
- **March 23, 2020:** Effective as of March 23, 2020, recreational and entertainment facilities including fitness centers, casinos, bingo halls, arenas, curling rinks, swimming

pools, galleries, theatres, museums and similar facilities ordered closed. Additionally, the Government ordered the closure of all personal service facilities including tattooists, hairdressers, barbers, acupuncturists, acupressurists, cosmetologists, electrologists, estheticians, manicurists, pedicurists, tanning parlours, relaxation masseuses, and facilities in which body piercing, bone grafting or scarification services are performed. In the health sector, the closure of dental, optometrist, chiropractic, registered massage therapy and podiatry clinics except for non-elective procedures. Day care centers may only have a maximum of eight children and if they are co-located with a long-term care or personal care home, they shall have a separate entrance.

- **March 22, 2020:** All persons returning from international travel or anyone in close contact with a confirmed COVID-19 case will be required to self-isolate for 14 days. Violation of the order may result in a \$2000 fine.
- **March 20, 2020:** Premier Scott Moe signed an order pursuant to the provincial State of Emergency directing that all orders of the government and Chief Medical Health Officer must be followed and that law enforcement agencies in Saskatchewan have the full authority to enforce those orders. Public gatherings of more than 25 people in one room are prohibited except where two-meter distancing between people can be maintained; workplace and meeting settings where people are distributed into multiple rooms or buildings; and retail locations (ie. grocery stores, pharmacies, gas stations). He ordered the closure of all nightclubs, bars, lounges and similar facilities. Take out of alcohol or food products is permitted with two-meter distancing between customers and the delivery of alcohol or food products. In-person classes in all primary and secondary educational institutions, both public and private, are suspended. Visitors to long-term care homes, hospitals, personal care homes and group homes shall be restricted to family visiting for compassionate reasons.
- **March 18, 2020:** The Government of Saskatchewan declared a provincial state of emergency. With this declaration, the government mandated all restaurants, bars and event venues to limit their seating to 50% capacity or a maximum of 50 people, whichever is lesser. The order also mandates the implementation of social distancing procedures in retail centers.
- **March 18, 2020:** Saskatchewan's Chief Medical Health Officer advised all residents to avoid non-essential international travel until further notice and strongly advised all returning travelers to self-isolate for 14 days.
- Further information is available on the Government of Saskatchewan's [website](#).
- Further information on the Saskatchewan government's emergency powers, can be found on our "Can they do that?" explainer, [here](#).

Manitoba

- **January 8, 2021:** The Government of Manitoba extended the current public health orders until January 22, 2021. An exemption has been permitted for professional hockey ([link](#)).
- **January 4, 2021:** The Government of Manitoba extended the state of emergency for a period of 30 days ([link](#)).

- **December 8, 2020:** The Government of Manitoba announced that it is extending public health orders from December 12, 2020 until January 8, 2021 ([link](#)).
- **December 4, 2020:** The Government of Manitoba extended the state of emergency for a period of 30 days ([link](#)).
- **December 2, 2020:** The Government of Manitoba announced a mandatory two-week remote learning period for all students in grades 7 to 12 starting January 4, 2021. The same remote-learning period is also available to students in grades K to 6 ([link](#)).
- **November 21, 2020:** The Government of Manitoba announced that gift cards, prepaid credit cards, and newspapers will be added to the list of essential items. The change will take effect at 12:01am on November 22, 2020 ([link](#)).
- **November 19, 2020:** The Government of Manitoba announced that updated public health orders will come into effect on November 20, 2020 to further limit residential gatherings and retail operations ([link](#)).
- **November 17, 2020:** Premier Brian Pallister announced that the province has signed a contract with G4S Canada to boost COVID-19 public health order enforcement efforts ([link](#)).
- **November 10, 2020:** The Premier and Chief Public Health Officer announced that the entire province will move to the Critical level (red) on the #Restart MB Pandemic Response System ([link](#)).
- **October 30, 2020:** The Chief Public Health Officer announced multiple province-wide changes to the #Restart MB Pandemic Response System. These changes will take effect November 2, 2020 ([link](#)).
- **October 23, 2020:** The Government of Manitoba has authorized municipal bylaw enforcement officers to enforce public health orders ([link](#)).
- **October 21, 2020:** The Government of Manitoba announced that fines will be increasing for those who fail to comply with public health and emergency orders ([link](#)).
- **August 12, 2020:** The Government of Manitoba extended the state of emergency for a period of 30 days ([link](#)).
- **July 24, 2020:** The Government of Manitoba released a revised phase four plan to restart the Province's economy ([link](#)).
- **July 14, 2020:** The Government of Manitoba will extend the province wide state of emergency under *The Emergency Measures Act* beginning July 14, 2020 for a period of 30 days ([link](#)).
- **June 15, 2020:** The Government of Manitoba extended the state of emergency for a period of 30 days ([link](#)).
- **May 15, 2020:** The Government of Manitoba extended the state of emergency for a period of 30 days ([link](#)).

- **May 14, 2020:** The Government of Manitoba introduced an additional temporary order to extend deadlines, social service and child-care provisions, and reduce municipal government regulatory burdens to help address the COVID-19 pandemic ([link](#)).
- **May 14, 2020:** The Government of Manitoba announced a new order designating additional provincial government officials to enforce public health emergency orders and emergency health hazard orders ([link](#)).
- **May 1, 2020:** The Government of Manitoba restricted individuals from working in more than one licenced personal care home ([link](#)).
- **April 29, 2020:** The Government of Manitoba announced a phased approach to opening the economy which will begin on May 4, 2020 ([link](#)).
- **April 28, 2020:** The Government of Manitoba implemented four temporary orders to help the economy, and to ensure the flow of goods and supplies into and out of Manitoba: (i) Youth in Care Provisions Order, (ii) Student Aid Provisions Order, (iii) International Fuel Tax Agreement Credential Provisions Order, and (iv) Trucking and Transportation Provisions Order ([link](#)).
- **April 27, 2020:** The Government of Manitoba will support local food producers and farmers' markets by enabling them to sell their products and produce online ([link](#)).
- **April 24, 2020:** The Government of Manitoba launched the Summer Student Recovery Plan which will provide a wage subsidy for students employed in the private and non-profit sectors ([link](#)).
- **April 20, 2020:** The state of emergency is extended for 30 days ([link](#)).
- **April 16, 2020:** New public health orders require anyone travelling into Manitoba (regardless of whether their travel was restricted to within Canada), to self-isolate for 14 days. All travel to northern Manitoba is also prohibited ([link](#)).
- **April 16, 2020:** The Government of Manitoba updated emergency orders. Businesses not listed as critical may operate, and have customers attend to pick up ordered items, provided social distancing measures are in place. Farmers markets, garden centres and greenhouses may operate, provided social distancing measures are in place. Hotels may operate, but must close common areas such as pools, hot tubs and game rooms. Campgrounds can provide accommodation to recreational vehicles that act as a primary residence. Lastly, appliance, electronic and furniture stores are excluded, and should not be open to the public, except where orders are placed remotely and orders are delivered or picked up with social distancing measures in place ([link](#)).
- **April 16, 2020:** The Government of Manitoba launched the AbilitiCBT program, a free and confidential virtual-therapy platform to help Manitobans cope with COVID-19 anxiety ([link](#)).
- **April 15, 2020:** The Government of Manitoba announced that it will make additional amendments to *The Emergency Measures Act*, and enable provincial orders that will aid in the response to the COVID-19 pandemic. The amendments will increase penalties for violating *The Emergency Measures Act*, to a maximum of \$100,000 and/or one year

imprisonment for individuals and a maximum of \$1,000,000 for corporations. They will also give courts the option to increase the fine for a person convicted of a price gouging offence by an amount equal to the financial benefit acquired ([link](#)).

- **April 14, 2020:** The chief provincial public health officer extended public health orders to April 28, 2020 ([link](#)).
- **April 14, 2020:** Health-care workers will be provided with a paid administrative leave if they are required to self-isolate for 14 days due to possible exposure to COVID-19 ([link](#)).
- **April 9, 2020:** The Government of Manitoba has set penalties for breaches of emergency orders ([link](#)).
- **April 9, 2020:** Child care options have now been made available to all parents working in critical services, including support staff at hospitals and clinics, grocery store staff, farmers and farm workers, construction workers, and bank or credit union employees ([link](#)).
- **April 9, 2020:** The Government of Manitoba closed all facilities in provincial parks, but the parks remain open ([link](#)).
- **April 9, 2020:** The Government of Manitoba launched a web portal to support Manitoba families whose children are learning at home ([link](#)).
- **April 8, 2020:** The Government of Manitoba created a fund to support COVID-19 treatment and vaccine research ([link](#)).
- **April 8, 2020:** The Government of Manitoba will continue to extend supports to all youth currently in the Child and Family Services system who turn 18 between March 20 and September 30, 2020 ([link](#)).
- **April 8, 2020:** Major Manitoba 150 celebrations have been postponed ([link](#)).
- **April 4, 2020:** The Government of Manitoba set up isolation centers for those needing additional support to self-isolate ([link](#)).
- **April 1, 2020:** Pursuant to a new order, the College of Registered Nurses of Manitoba will be allowed to waive or modify registration requirements for former registered nurses, so they may apply for temporary registration during the pandemic on an expedited basis ([link](#)).
- **March 31, 2020:** Manitoba suspended in classroom learning for kindergarten to Grade 12 students indefinitely for this school year ([link](#)). They also revised Spring Road Restrictions to more readily allow vehicles to transport essential commodities ([link](#)).
- **March 30, 2020:** Restaurants providing takeout and delivery service are authorized to sell liquor if they are a licensed establishment ([link](#)).
- **March 30, 2020:** The Government of Manitoba introduced several new measures to prevent the spread of COVID-19. As of April 1 2020, public gatherings will be limited to 10 people, restaurants may only serve food for delivery and takeout, and all businesses

not in the schedule of critical services must close until April 14, 2020. Further information can be found [here](#).

- **March 27, 2020:** As of 12:01 a.m. on March 30, 2020, public gatherings are limited to no more than 10 people. Retail businesses and public transportation must ensure separation of one to two meters between persons. All non-essential travel is strongly not recommended. Employment standards are to be temporarily amended so that any period of layoff occurring after March 1, 2020, will not be counted toward the period after which a temporary layoff would become a permanent termination. The Government will establish five highway checkpoints and provide information in airports to inform travelers on public health measures and the requirement to self-isolate.
- **March 24, 2020:** Manitoba Premier Brian Pallister announced that the province would be postponing all non-urgent eviction hearings at the Residential Tenancies Branch and the Residential Tenancies Commission until the end of May. All new hearings and previously scheduled hearings were included.
- **March 20, 2020:** Government of Manitoba declared a provincial state of emergency amidst the ongoing COVID-9 pandemic. The decision, made under the province's *Emergency Measures Act*, officially limits public gatherings of more than 50 people on any indoor or outdoor premise. Retail businesses, such as grocery or food stores, shopping centers, pharmacies and gas stations must ensure separation of one to two meters between patron and public transportation facilities must also make sure people assembling are able to reasonably maintain a separation of one to two meters from others. All hospitality premises and theatres are limited to 50 people, or 50 per cent of the capacity of the premises, whichever is less, and all fitness facilities are to close.
- Further information is available on the Government of Manitoba's [website](#).
- Further information on the Manitoba government's emergency powers, can be found on our "Can they do that?" explainer, [here](#).

Ontario

- **[January 12, 2021: The Government of Ontario declared a second provincial emergency under the *Emergency Management and Civil Protection Act* \(EMPCA\). The Government of Ontario announced, among other items, a province-wide stay-at-home order, requiring everyone to remain at home with exceptions for essential purposes, effective January 14, 2021 at 12:01am \(link\).](#)**
- **January 7, 2021:** The Government of Ontario extended online teacher-led learning in elementary schools in Southern Ontario until January 25, 2021 ([link](#)).
- **January 7, 2021:** The Government of Ontario extended the shutdown in the seven public health regions in Northern Ontario until at least January 23, 2021. The impact of these measures throughout the province will be evaluated after 14 days to determine if it is safe to lift any restrictions or if they need to be extended ([link](#)).
- **December 22, 2020:** The Government of Ontario announced that it will cancel all in-vehicle road tests. This measure is in effect across Northern Ontario until January 9 and across Southern Ontario until January 23 ([link](#)).

- **December 21, 2020:** The Government of Ontario announced a province-wide shutdown, effective December 26, 2020 at 12:01am. A full list of restrictions can be found [here](#). Measures will be in place for at least 14 days in Northern Ontario and at least 28 days in Southern Ontario ([link](#)).
- **December 18, 2020:** The Government of Ontario announced that 6 public health regions will move to new levels with stronger public health measures, including the City of Hamilton, which will move into Grey-Lockdown. These moves take effect December 21, 2020 at 12:01am ([link](#)).
- **December 18, 2020:** The Government of Ontario announced that Peel and Toronto will remain in lockdown until at least January 4, 2021 ([link](#)).
- **December 11, 2020:** The Government of Ontario announced that 7 public health regions will move to new levels with stronger public health measures, including Windsor-Essex and York region, which will move into Grey-Lockdown. These moves take effect December 14, 2020 at 12:01am ([link](#)).
- **December 10, 2020:** The Government of Ontario announced that all orders currently in force under the *Reopening Ontario (A Flexible Response to COVID-19) Act, 2020* have been extended until January 20, 2021 ([link](#)).
- **December 4, 2020:** The Government of Ontario moved three public health regions to new levels with stronger public health measures in the *Keeping Ontario Safe and Open Framework* ([link](#)).
- **November 27, 2020:** The Government of Ontario moved five public health regions to new levels with stronger public health measures in the *Keeping Ontario Safe and Open Framework* ([link](#)).
- **November 26, 2020:** The Government of Ontario announced that effective November 23, 2020, all in-vehicle road tests in the City of Toronto and Peel Region, including the Brampton, Downsview, Etobicoke, Metro East, Mississauga and Port Union DriveTest centres will be cancelled ([link](#)).
- **November 20, 2020:** The Government of Ontario announced that the province is moving certain public health unit regions into new levels in the *Keeping Ontario Safe and Open Framework*, including moving Toronto and Peel into Lockdown as of November 23, 2020 at 12:01 am ([link](#)).
- **November 20, 2020:** The Government of Ontario extended all orders currently in force under the *Reopening Ontario (A Flexible Response to COVID-19) Act, 2020* until December 21, 2020 ([link](#)).
- **October 20, 2020:** The Government of Ontario extended most orders currently under force under the *Reopening Ontario (A Flexible Response to COVID-19) Act, 2020*. This extension will be in effect until November 21, 2020, with certain exceptions ([link](#)).
- **October 20, 2020:** The Government of Ontario is amending emergency orders for regions under modified Stage 2 restrictions to clarify that classes delivered for the

purpose of teaching or training amateur or professional dancers in dance techniques are permitted to operate provided specified conditions are met ([link](#)).

- **October 19, 2020:** The Chief Medical Officer of Health released guidelines for Halloween, and recommended against those in Ottawa, Peel, Toronto, and York Region participating in traditional door-to-door trick or treating ([link](#)).
- **October 17, 2020:** The Government of Ontario announced that effective Monday October 19, 2020 at 12:01 am, residents of long-term care homes will not be allowed to take short-term or temporary absences and only essential visitors will be allowed ([link](#)).
- **October 16, 2020:** The Government of Ontario announced that effective Monday, October 19, 2020 at 12:01 am, York Region will join Ottawa, Peel and Toronto public health unit regions in a modified Stage 2 ([link](#)).
- **October 14, 2020:** The Government of Ontario announced that effective October 16, 2020 and until further notice, residents of long-term care homes will not be allowed to take short-term or temporary absences in Ottawa, Toronto, and Peel ([link](#)).
- **October 9, 2020:** To protect the health and wellbeing of all Ontarians, the government is acting on the recommendations of the Chief Medical Officer of Health and the Public Health Measures Table to put in place additional targeted public health measures in the Ottawa, Peel and Toronto public health unit regions. These modified Stage 2 restrictions will be for a period of at least 28 days ([link](#)).
- **October 5, 2020:** The Minister of Long-Term Care announced that starting October 7, 2020, only essential visitors will be allowed to visit long-term care homes in the City of Ottawa, the Region of Peel, and the City of Toronto ([link](#)).
- **October 2, 2020:** The Government of Ontario announced new COVID-19 testing measures. These include a transition to appointment based testing starting October 6, 2020 and the discontinuation of walk-in testing services starting October 4, 2020 ([link](#)).
- **October 2, 2020:** The Government of Ontario announced amendments to O. Reg 364/20, that include mandating the use of face coverings in all public indoor settings across the province with limited exceptions. Targeted measures will be implemented in Ottawa, Peel and Toronto. These measures will effect the capacity at restaurants, bars, other food and drink establishments (including nightclubs), gyms, and meeting and event facilities. A full list of amendments can be found [here](#). The amended order comes into effect on October 3, 2020 at 12:01 am ([link](#)).
- **October 2, 2020:** The Government of Ontario announced the pausing of social circles and advised that all Ontarians allow close contact only with people living in their own household and maintain 2 metres physical distancing from everyone else, subject to limited exceptions ([link](#)).
- **September 30, 2020:** The Ontario government today released updated COVID-19 modelling, which shows the province is experiencing a second surge in cases similar to what other jurisdictions have experienced. Ontario has developed a comprehensive plan, *Keeping Ontarians Safe: Preparing for Future Waves of COVID-19*, to ensure the

health care system is prepared for the immediate challenges of the fall including future surges and waves of COVID-19 and flu season ([link](#)).

- **September 25, 2020:** The Government of Ontario has amended order O. Reg 364/20: Rules for Areas in Stage 3 under the *Reopening Ontario (A Flexible Response to COVID-19) Act, 2020*. The amendments prohibit restaurants, bars, and other food and drink establishments from selling alcohol after 11:00 p.m., prohibit the consumption of alcohol on the premises after 12:00 a.m. until 9:00 a.m. (including employees), and require establishments to close by 12:00 a.m. and remain closed until 5:00 a.m. except for takeout or delivery. The amendments take effect province-wide effective 12:01 a.m. on September 26, 2020 ([link](#)).
- **September 23, 2020:** The Government of Ontario announced that starting Friday, September 25th, COVID-19 testing will be available by appointment at up to 60 pharmacies across the province ([link](#)).
- **September 19, 2020:** The Government of Ontario extended the previously announced restrictions on unmonitored social gatherings to the entire province ([link](#)).
- **September 17, 2020:** The Government of Ontario has amended order O. Reg 364/20: Rules for Areas in Stage 3 under the *Reopening Ontario (A Flexible Response to COVID-19) Act, 2020*. The amendments set a new limit reducing the number of people permitted to attend unmonitored social gatherings and organized public events in three regions within the boundaries of the following public health units: (i) Ottawa Public Health; (ii) Peel Public Health; and (iii) Toronto Public Health ([link](#)).
- **July 16, 2020:** The Government of Ontario has extended most emergency orders currently in force under s. 7.0.2 (4) of the *Emergency Management and Civil Protection Act* until July 29, 2020 ([link](#)).
- **July 9, 2020:** The Government of Ontario has extended all emergency orders currently in force under s. 7.0.2 (4) of the *Emergency Management and Civil Protection Act* until July 22, 2020 ([link](#)).
- **July 7, 2020:** The Government of Ontario introduced legislation to protect public health as the economy reopens ([link](#)).
- **June 30, 2020:** Toronto City Council voted unanimously in favour of requiring masks or face coverings in all enclosed public places as of July 7, 2020 to stop the spread of COVID-19 ([link](#)).
- **June 28, 2020:** The Government of Ontario has extended all emergency orders currently in force under s. 7.0.2 (4) of the *Emergency Management and Civil Protection Act* until July 10, 2020 ([link](#)).
- **June 24, 2020:** The Government of Ontario extended the provincial Declaration of Emergency to July 15, 2020 ([link](#)).
- **June 24, 2020:** The Government of Ontario announced that it will implement a three-point plan to reduce the risk of transmission of COVID-19 on farms and throughout the community in Windsor-Essex ([link](#)).

- **June 17, 2020:** The Government of Ontario has extended all emergency orders currently in force under s. 7.0.2 (4) of the *Emergency Management and Civil Protection Act*. This extension will be in effect until June 30, 2020 ([link](#)).
- **June 10, 2020:** The Ontario Labour Relations Board announced that all in-person hearing are cancelled up to July 31, 2020 ([link](#)).
- **June 8, 2020:** The Government of Ontario announced that it intends to introduce changes to the *Commercial Tenancies Act* to protect commercial tenants from being locked out or having their assets seized by their landlords due to the negative impacts of COVID-19 ([link](#)).
- **June 6, 2020:** The Government of Ontario extended the suspension of limitation periods and time periods in proceedings until September 11, 2020 under s. 7.1 of the *Emergency Management and Civil Protection Act* ([link](#)).
- **June 6, 2020:** The Government of Ontario extended all emergency orders currently in force under s.7.0.2 (4) of the *Emergency Management and Civil Protection Act* until June 19, 2020 ([link](#)).
- **June 4, 2020:** The Ministry of Long-Term Care appointed William Osler Health System as interim manager at Woodbridge Vista Care Community long-term care home in Vaughan, Ontario ([link](#)).
- **June 2, 2020:** The Government of Ontario extended the provincial Declaration of Emergency to June 30, 2020 ([link](#)).
- **June 2, 2020:** The Ministry of Long-Term Care has issued a Mandatory Management Order appointing St. Mary's General Hospital, a member of St. Joseph's Health System, in Kitchener to temporarily manage Forest Heights long-term care home for 90 days. The order may be extended beyond the 90 days, if necessary ([link](#)).
- **June 1, 2020:** The Government of Ontario enacted a new regulatory amendment that will put non-unionized employees on Infectious Disease Emergency Leave during the COVID-19 outbreak any time their hours of work are temporarily reduced by their employer due to COVID-19 ([link](#)).
- **May 28, 2020:** The Government of Ontario extended the Incident Management System Long-Term Care Table mandate ([link](#)).
- **May 27, 2020:** The Government of Ontario extended all emergency orders in force under s.7.0.2 (4) of the *Emergency Management and Civil Protection Act* until June 9, 2020 ([link](#)).
- **May 25, 2020:** The Ministry of Long-Term Care ordered local hospitals to temporarily manage two long-term care homes for 90 days ([link](#)).
- **May 19, 2020:** The Government of Ontario extended emergency orders which will remain in force until May 29, 2020 ([link](#)).

- **May 13, 2020:** The Government of Ontario adopted an emergency order allowing the province to issue a mandatory management order for a long-term care home struggling to deal with a COVID-19 outbreak ([link](#)).
- **May 13, 2020:** The Government of Ontario announced that it is working with the education sector to voluntarily place available employees in staffing roles needed at congregate care settings during the COVID-19 outbreak ([link](#)).
- **May 12, 2020:** The Government of Ontario passed legislative amendments in the *COVID-19 Response and Reforms to Modernize Ontario Act, 2020* that will provide relief and flexibility to different types of corporations and businesses in Ontario ([link](#)).
- **May 12, 2020:** The Government of Ontario extended the state of emergency to June 2, 2020 ([link](#)).
- **May 9, 2020:** The Government of Ontario approved an order that will enable available school board employees to be voluntarily redeployed to congregate care settings during the COVID-19 pandemic, including hospitals, long-term care homes, retirement homes, and women's shelters ([link](#)).
- **May 8, 2020:** The Government of Ontario is investing in supportive housing in Kingston and Bracebridge to assist individuals experiencing homelessness. Further information can be found [here](#) and [here](#).
- **May 6, 2020:** The Government of Ontario extended the state of emergency to May 19, 2020.
- **May 5, 2020:** The Ontario Superior Court of Justice announced it will not resume in-person hearings of certain matters until at least July 6, 2020 ([link](#)).
- **May 5, 2020:** The Government of Ontario expanded virtual mental health services to help Ontarians experiencing anxiety and depression during the COVID-19 outbreak ([link](#)).
- **May 1, 2020:** The Government of Ontario issued new temporary emergency orders under the *Emergency Management and Civil Protection Act* to support the needs of the province's hospitals and health care workers so that they can better manage critical health care human resources during COVID-19 ([link](#)).
- **April 30, 2020:** The Human Rights Tribunal of Ontario released further guidance on current processes and procedures ([link](#)).
- **April 30, 2020:** The Government of Ontario announced a new free 511 app which will provide truck drivers immediate access to the information they need to stay safe, fed and rested while delivering essential goods across the province during the COVID-19 outbreak ([link](#)).
- **April 29, 2020:** The Government of Ontario expanded the list of essential workers eligible to receive free emergency child care during the COVID-19 outbreak ([link](#)).

- **April 28, 2020:** The Government of Ontario launched the *COVID-19: Tackling the Barriers* website to assist businesses in overcoming challenges created by COVID-19 ([link](#)).
- **April 27, 2020:** The Government of Ontario released *A Framework for Reopening our Province*. It outlines the principles the government will use to reopen businesses, services and public spaces in gradual stages ([link](#)).
- **April 26, 2020:** The Government of Ontario extended school closures until at least May 31, 2020 ([link](#)).
- **April 25, 2020:** The Government of Ontario introduced new measures and amended previous emergency orders to allow for the redeployment of staff, including those working in long-term care homes, to ensure they can work where they are needed most during the COVID-19 outbreak ([link](#)).
- **April 25, 2020:** The closure of Ontario's provincial parks was extended to May 31, 2020 ([link](#)).
- **April 23, 2020:** The Government of Ontario announced the *COVID-19 Action Plan for Vulnerable People* to better protect vulnerable populations during the outbreak of COVID-19 ([link](#)).
- **April 23, 2020:** The Government of Ontario extended all emergency orders under s.7.0.2 (4) of the *Emergency Management and Civil Protection Act* until May 6, 2020 ([link](#)).
- **April 23, 2020:** The Government of Ontario introduced a measure which allows mental health and addictions agencies to redeploy staff within different locations or between programs, and employ extra part-time staff, temporary staff or contractors ([link](#)).
- **April 21, 2020:** The Government of Ontario announced a series of measures to provide relief to vulnerable provincial residents. The Government of Ontario partnered with the Ontario Community Support Program to serve meals to low-income seniors and people with disabilities. It has also doubled the Guaranteed Annual Income System (GAINS) payments ([link](#)).
- **April 17, 2020:** The Government of Ontario partnered with Rogers Communications and Apple to help support the educational needs of students and families during the COVID-19 outbreak ([link](#)).
- **April 17, 2020:** Through the Partnership's Place to Grow: Agri-Food Innovation Initiative, the Ontario Ministry of Agriculture, Food and Rural Affairs (OMAFRA) will immediately accept applications and will expedite the approval process to address sector labour concerns ([link](#)).
- **April 17, 2020:** The Government of Ontario expanded the list of essential workers eligible to receive emergency child care. The list of additional frontline workers who can now access emergency childcare services can be found [here](#).

- April 17, 2020:** The Government of Ontario introduced a temporary emergency order. It will: (1) restrict retirement home employees from working in more than one health care setting, (2) allow Local Health Integration Networks to direct home care service providing organizations to safely reassign frontline staff to areas where they are most needed, and (3) allow reassignments of certain staff to locations where there is a local need during the outbreak, including child care, by-law enforcement, and public health services. Additionally, ambulance services can hire college students to provide services appropriate to their competence level and scope of practice ([link](#)).
- April 16, 2020:** The Government of Ontario removed restrictions on auto insurance companies, allowing them to provide temporary insurance premium rebates to drivers during the COVID-19 pandemic ([link](#)).
- April 15, 2020:** The Government of Ontario restricted long-term care staff from working in more than one long-term care home, retirement home or health care setting ([link](#)).
- April 14, 2020:** The Government of Ontario passed the *Coronavirus (COVID-19) Support and Protection Act* to amend the *Education Act*, *Planning Act*, *Development Charges Act*, *Police Services Act* and the *Ministry of Training, Colleges and Universities Act*. Changes to the *Education Act* allow school boards to continue charging fees on new construction and provides a province-wide approach to school suspensions and expulsions. Changes to the *Ministry of Training, Colleges and Universities Act* will temporarily suspend student loan payments for OSAP borrowers and initiate a six-month interest-free moratorium on OSAP loans. Changes to *the Development Charges Act* suspend certain municipal planning timelines ([link](#)).
- April 14, 2020:** The Government of Ontario extended the Declaration of Emergency under the *Emergency Management and Civil Protection Act* for a further 28 days to May 12, 2020 ([link](#)).
- April 13, 2020:** In consultation with the Ontario Privacy Commissioner, the Government of Ontario is developing a platform called Pandemic Threat Response (PANTHR) to hold secure health data and allow researchers to better support health system plans and responses ([link](#)).
- April 11, 2020:** The Government of Ontario extended the state of emergency until April 23, 2020 ([link](#)).
- April 11, 2020:** The Government of Ontario introduced a series of new emergency orders. These orders address surge capacity in retirement homes, allow hospitals to increase capacity by using beds and services of retirement homes without labour relations implications, make it easier to repurpose buildings and put up temporary structures for healthcare facilities to use, and prohibit recreational camping on Crown land ([link](#)).
- April 10, 2020:** The Government of Ontario enacted an emergency order to prohibit the collection of child care fees while child care services are not being provided. The order also prevents the loss of a child care space obtained prior to the closing of child care facilities ([link](#)).

- **April 9, 2020:** An emergency order has been amended to lift the suspension of limitation periods and procedural time periods under the *Construction Act*. This will allow for the release of holdback payments to contractors and subcontractors in the normal course, helping to resolve a potentially significant cash flow problem for the construction industry ([link](#)).
- **April 9, 2020:** The Government of Ontario partnered with SPARK Ontario and created a volunteer hub to help seniors and people with disabilities stay connected ([link](#)).
- **April 9, 2020:** The Government of Ontario launched an Ontario Jobs and Recovery Committee to focus on getting businesses running and people back to work when the pandemic is over ([link](#)).
- **April 8, 2020:** The Chief Medical Officer of Health provided a list of directives to protect long-term care homes from COVID-19 outbreaks. Among the directives is the mandatory testing and self-isolation of new residents, and the requirement for staff and essential visitors to wear masks ([link](#)).
- **April 8, 2020:** The Ontario Labour Relations Board issued a notice to the community regarding practice changes ([link](#)).
- **April 8, 2020:** The Government of Ontario extended construction hours to 24 hours per day for essential construction projects ([link](#)).
- **April 7, 2020:** The Alcohol and Gaming Commission of Ontario authorized the delivery and curbside pick-up of cannabis from authorized retail stores ([link](#)).
- **April 7, 2020:** The Lieutenant Governor in Council made an order permitting the virtual witnessing for wills and powers of attorney ([link](#)).
- **April 7, 2020:** The Government of Ontario launched the Health Workforce Matching Portal to match health care workers with health care centres ([link](#)).
- **April 6, 2020:** The Government of Ontario has made an emergency order that will allow police, firefighters and paramedics to obtain COVID-19 positive status information about individuals with whom they come into contact with ([link](#)).
- **April 4, 2020:** The Government of Ontario announced an emergency order to offer staffing flexibility for services providing supports to adults with disabilities ([link](#)).
- **April 4, 2020:** The Government of Ontario intends to launch an online portal to connect workers with employers looking to fill positions in the agri-food sector ([link](#)).
- **April 3, 2020:** The Government of Ontario issued a temporary order allowing for more flexibility to recruit and reassign staff in retirement homes. The *Retirement Homes Act, 2010* has been amended to now require that retirement homes follow the Chief Medical Officer of Health's guidance and recommendations regarding infection control and prevention ([link](#)).

- **April 3, 2020:** The Government of Ontario introduced further business closures that will be effective April 4, 2020 at 11:59 p.m. These closures will remain in effect for 14 days ([link](#)). The list of essential workplaces can be found [here](#).
- **April 2, 2020:** Ontario Superior Court of Justice issued a Notice to the Profession concerning remote hearings and other procedures. Further information can be found [here](#).
- **April 2, 2020:** The Government of Ontario has taken action to protect people and communities from the risk of preventable human-caused fires. Residents who live in a restricted fire zone cannot have an outdoor fire ([link](#)). Further information on fire zones can be found [here](#).
- **March 31, 2020:** Pursuant to a new Emergency Order, individuals who are being charged with an offence under the *Emergency Management and Civil Protection Act* (EMCPA) will be required to identify themselves if asked by a provincial offences officer. Individuals who fail to correctly identify themselves may be fined \$750 or \$1,000 for obstructing any person in exercising a power if a provincial offences officer issues a ticket. Failure to comply with an Emergency Order could result in up to one-year imprisonment or a fine of up to \$100,000 for an individual, \$500,000 for a director of a corporation, or \$10,000,000 for a corporation. These penalties apply in addition to the penalties for breaching other emergency orders ([link](#)).
- **March 31, 2020:** The Government of Ontario implemented an Emergency Order to provide flexibility to corporate meetings. The Emergency Order allows all corporations under the *Corporations Act* and *Business Corporations Act* to hold meetings of directors, shareholders, and members virtually (i.e., electronically or by telephone). The timeframes by which corporations under both pieces of legislation must hold Annual General Meetings in certain circumstances related to the emergency have been extended. Further information on this Emergency Order, can be found [here](#).
- **March 31, 2020:** Public schools will remain closed to teachers until at least May 1, 2020, and students until May 4, 2020. Private schools, child care centres and EarlyON programs will remain closed until April 13, 2020. The second phase of Learn at Home to help reconnect students and teachers will also commence ([link](#)).
- **March 31, 2020:** Payments for Ontario Student Assistance Program (OSAP) loans will be temporarily deferred, and there will be an interest-free moratorium until September 30, 2020. The Government of Ontario will also make online learning supports, including year-end exams, available to post-secondary institutions ([link](#)).
- **March 30, 2020:** Premier Doug Ford announced that the state of emergency which is set to expire on March 31, 2020, will be extended for another two weeks. In addition, the new order additionally closed all communal or shared, public or private, outdoor recreational amenities, including but not limited to playgrounds, sports fields, basketball and tennis courts, off-leash dog parks, beaches, skateboard and BMX parks, picnic areas, outdoor community gardens, park shelters, outdoor exercise equipment, condo parks and gardens, and other outdoor recreational amenities ([link](#)).
- **March 28, 2020:** The Government of Ontario restricted gatherings to no more than 5 people. They also made orders prohibiting price gouging for “necessary” goods,

including personal protective equipment such as masks and gloves, non-prescription medications for the treatment of symptoms of COVID-19, disinfecting agents or personal hygiene products. Under the Emergency Management and Civil Protection Act, individuals who breach these restrictions will face a maximum penalty of \$100,000 and a year in jail, directors of corporations will face a maximum penalty of \$500,000 and a year in jail, and corporations will face fines of up to \$10 million ([link](#)).

- **March 28, 2020:** New provincial regulations will enable the Ministry of Government and Consumer Services and the Ministry of Health to centrally manage public sector supply chains ([link](#)).
- **March 28, 2020:** Ontario will implement an emergency order to address restrictions around staffing, reporting complaints, and documentation to help ensure there are enough staff to care for residents in long-term care homes. The order will also redeploy inspectors to critical areas ([link](#)).
- **March 27, 2020:** Travellers returning to Ontario are required to self-isolate for 14 days. They may not visit stores, family or friends.
- **March 25, 2020:** The Government of Ontario released Ontario Regulation 82/20 filed March 24, 2020 under the *Emergency Management and Civil Protection Act*. It mandates the closure of non-essential businesses. It authorizes temporary access to a non-essential business (businesses not listed in Schedule 2), for the purposes of: performing work in order to comply with any applicable laws, allowing inspections and repairs, allowing security services to be provided, to deal with critical matters that cannot be dealt with remotely, or accessing materials that are necessary to operate remotely. It further provides that businesses are not precluded from operating remotely. Ontario Regulation 82/20 can be accessed [here](#).
- **March 24, 2020:** Pursuant to the declared emergency, a new order was issued for health sector workers, including long-term care workers. The order allows for the redeploying of staff to or between locations, changing work assignments, changing shift assignments, deferring or cancelling vacations and leaves, employing extra temporary or part-time staff, greater use of volunteers, and the provision of new education and training of individuals in new roles ([link](#)).
- **March 23, 2020:** Premier Doug Ford announced the mandatory closure of all non-essential workplaces. This takes effect on March 24, 2020 at 11:59 PM and will continue for 14 days. The list of essential workplaces in Ontario can be found [here](#).
- **March 20, 2020:** The Cabinet made an order under s. 7.1 of the *Emergency Management and Civil Protection Act* to suspend limitation periods and procedural time periods. The suspension is retroactive to March 16, 2020.
- **March 17, 2020:** The Government of Ontario declared a provincial state of emergency to help contain the spread of COVID-19 and protect the public. The following establishments are required to close until March 31, 2020: all bars and restaurants, except to the extent that such facilities provide takeout and food delivery, all facilities providing indoor recreational programs, all public libraries, all private schools, all licensed child care centres, all movie cinemas, all theatres, including those offering live performances of music, dance and other art forms and all concert venues.

- The Government of Ontario also prohibited all organized public events of over 50 people, including parades, events and communal services within places of worship.
- **March 17, 2020:** Dr. David Williams, Ontario's Chief Medical Officer of Health, advised Ontarians to self-isolate for 14 days following their return from travel outside Canada, including the United States.
- Further information is available on the Government of Ontario's [website](#).
- Further information about the Ontario government's emergency powers, can be found on our "Can they do that?" explainer, [here](#).

Québec

- **January 6, 2021:** The Government of Québec announced additional public health measures, effective January 9, 2021 through February 8, 2021. The measures will be applicable province-wide, with the exceptions of the territories of Nunavik and Terres-Cries-de-la-Baie-James. The measures include a curfew between 8pm and 5am, the closure of non-essential businesses, limiting all social, recreational and sports activities to the family bubble, the prohibition of indoor sports outside of the school context, and additional measures in schools ([link](#)).

- **March 28, 2020:** Only essential travel into le Bas-Saint-Laurent, l'Abitibi-Témiscamingue, la Côte-Nord, le Nord-du-Québec, le Saguenay-Lac-Saint-Jean, la Gaspésie-Îles-de-la-Madeleine, le Nunavik, and les Terres-Cries-de-la-Baie-James will be permitted. Police checkpoints will be set up to enforce this measure ([link](#)).
- **March 28, 2020:** Health care workers who wish to interrupt their parental leave will have six additional months to use their benefits from the Québec Parental Insurance Plan (QPIP). ([link](#))
- **March 27, 2020:** The Government of Québec has allowed businesses to postpone filing their returns until June 30, 2020 and payments in respect of the March 31, April 30 and May 31 QST remittances, without interest or penalties. It will also accelerate the processing of requests for tax credits intended for businesses and tax refunds ([link](#)).
- **March 27, 2020:** City of Montreal declared a state of emergency pursuant to section 42 of the *Civil protection act*.
- **March 27, 2020:** The Ministère des Transports announced the reopening of several rest stops to support those that must travel. However, the Government of Québec still advised against non-essential interregional travel ([link](#)). As of April 3, 2020, any unsubsidized daycare that remains open must close. The Government of Québec will provide childcare, free of charge, for health workers and essential services at a subsidized daycare. More information on childcare can be found [here](#).
- **March 26, 2020:** As a result of a decline in the use of public transit, Montreal and Québec City have announced that new public transit services will be reduced effective

March 30, 2020. Further information on the new Montreal public transit schedules can be found [here](#). Further information on the Québec City public transit schedules can be found [here](#).

- **March 24, 2020:** Following the March 23rd order that all non-essential businesses must close, the Government of Québec added that businesses that are non-essential, excluding stores, can maintain minimal operations to ensure the resumption of their activities, bearing in mind the directives issued by public health authorities ([link](#)). Minister of Justice announced the suspension of certain time limits for penal proceedings until the declaration of a public health emergency expired, except for cases deemed urgent by the courts. Also suspended during this period are time limits to retain a thing seized or the proceeds of a sale thereof and to obtain an extension of the retention (ss. 40.4 and 40.7 of the *Tax Administration Act*). In addition, any search may be authorized by a telewarrant ([link](#)).
- **March 23, 2020:** Premier François Legault announced the mandatory closure of all non-essential businesses, effective midnight of March 24, 2020. This order will remain in effect until April 13, 2020. The list of essential services and commercial activities in Québec can be found [here](#).
- **March 22, 2020:** As of midnight on March 22, 2020, Québec closed all shopping malls and hair and beauty salons. Grocery stores, pharmacies, and SAQ stores will remain open, as well as stores that are accessible by an exterior entrance. All restaurants must close dining-room service, while take-out service can continue. Schools and daycares remain closed until at least May 1, 2020 ([link](#)).
- **March 21, 2020:** The Government of Québec renewed the state of emergency for a further 10-day period. All gatherings of people indoors and outdoors are forbidden unless it:
 - Is required by a work environment that is not the subject of a suspension by decree;
 - Is to obtain a good or a service from an establishment or a person whose activities are not suspended by decree;
 - Is in a transportation vehicle;
 - For an exterior assembly if, a) the people assembling live in the same residence, b) if one person is receiving a service from another, c) if a minimum distance of 2 meters is observed;
 - Is inside a private residence for its occupants.

For the first 3 exceptions, a distance of 2 meters must be respected amongst the people gathering. By the same decree, the Government of Québec suspended all periods of time to introduce an action until the end of the state of emergency for the Tribunal administratif du Québec, the Tribunal administratif du travail, the Tribunal administratif des marchés financiers, the Commission de la fonction publique and the section jurisdictional section of the Commission d'accès à l'information. The exception to this is with respect to an action introduced following section 22 of the *Labour code* concerning certification of employee associations (i.e. certification of unions) ([link](#)). The renewal of the state of health emergency also has the effect of renewing, until March 29, 2020, the

suspension of limitation periods and procedural delays initially ordered on March 15, 2020.

- **March 21, 2020:** Government of Québec adopted a decree allowing for the modification of several provisions of health sector collective agreements ([link](#)).
- **March 20, 2020:** Public health officials asked hotels to accommodate non-infectious minor hospital cases in order to free up beds for COVID-19 patients in hospitals ([link](#)).
- **March 20, 2020:** The Ministère de la Justice issued an interpretation bulletin recognizing the validity of affidavits completed remotely via technological means that meet certain conditions ([link](#)).
- **March 19, 2020:** Premier of Québec asked people not to travel between regions unless essential ([link](#)).
- **March 18, 2020:** Government of Québec suspended the education system's collective agreements in order to dispatch education personnel where needed during the crisis ([link](#)).
- **March 17, 2020:** Government of Québec announced delaying income tax declarations until June 1, 2020 ([link](#)).
- **March 17, 2020:** Emergency daycare services were extended to include more parents working in services considered essential.
- **March 17, 2020:** Montreal public transit adopted measures limiting interactions between staff, drivers and the public ([link](#)).
- **March 16, 2020:** Government of Québec announced a special allocation program of \$573/week (Programme d'aide temporaire aux travailleurs) to help workers that are not otherwise compensated for isolation measures ([link](#)).
- **March 15, 2020:** To impede the spread of COVID-19 in Québec, the Government of Québec ordered the closure of the following businesses and public spaces until March 30, 2020: aquariums, skating rinks, bars and discotheques, libraries, sugar shacks, training gyms, dance halls and spinning, zumba and yoga centres, indoor soccer arenas, outdoor recreation centres, cinemas and games arcades, sample counters and booths in grocery and department stores, recreational sites (ski resorts, amusement parks, trampoline centres, etc.), museums, water parks, swimming pools, spas and saunas, restaurants offering buffet service, performance spaces, theatres, zoos and all other similar facilities.
 - The Government of Québec also asked restaurants and coffee shop owners to limit the number of customers to 50% of the rooms' capacity, that is, to one out of every two tables. However, buffet-style restaurants and sugar shacks must close temporarily. Take-out orders, deliveries and drive-through services are permitted. The SQDC and SAQ remain open, but the number of clients must be limited in order to respect social distancing. Online orders are encouraged. For places of worship, religious gatherings of all faiths should be suspended, unless

they are essential. If a gathering takes place, social distancing must be observed.

- Collective agreements between school boards and unions were modified ([link](#)). The Ministerial Order can be found [here](#).
- **March 15, 2020:** Chief Justice of Québec and Québec Minister for Justice jointly ordered the suspension of certain limitation periods and procedural periods of time pending the duration of the state of health emergency decreed on March 13, 2020. The joint order can be found [here](#).
- **March 14, 2020:** Government of Québec prohibited non-essential visits to hospitals, residential and long-term care centres (CHSLD), intermediate resources, family-type resources for the elderly and vulnerable adults and private seniors' homes.
- **March 14, 2020** Government of Québec recommended that people aged 70 and over stay at home and limit their movements except in exceptional situations, such as medical appointments ([link](#)).
- **March 13, 2020:** Government of Québec declared a provincial public health emergency. This granted the government the power to put in place measures aimed at ensuring the protection of the population's health. The state of emergency is declared for 10 days and is renewable for another 10 days thereafter. The following measures were notably adopted along with the health emergency:
 - Education establishments must suspend their activities;
 - Daycares must suspend their activities, however child care must be organized for children of healthcare workers, police, firefighters, ambulance workers, correctional services agents and special constables;
 - Indoor assemblies of over 250 people are forbidden;
 - Services provided by healthcare workers regarding COVID-19 by correspondence or by telecommunication are considered insured services;
 - The *Ministre de la Santé et des Services sociaux* (Minister of Health) can make the expenses considered necessary;
 - The Minister of Health and the healthcare establishments can without delay or formalities conclude the contracts which they deem necessary, notably to acquire furniture, equipment, medication or to undertake construction;
 - The Minister of Health can take all other measures required to insure that the healthcare system has the human resources it requires; and
 - The Minister of Health can order all other measures necessary to protect the health of the population ([link](#)).
- **March 13, 2020:** The Government of Québec recommended voluntary self-isolation for 14 days for anyone who returned from abroad on or after March 12, 2020.
 - The Government of Québec also mandated isolation for 14 days for all public service employees and health care, education and daycare workers, both private and public, who return from abroad on or after March 12, 2020.
- **March 13, 2020:** The Superior Court and the Québec Court suspended activities except with respect to emergency proceedings.

- Further information is available on the Government of Québec's [website](#).

Newfoundland and Labrador

- **November 23, 2020:** The Department of Health and Community Services announced that starting November 25, 2020, rotational workers from Newfoundland and Labrador who work in Canada and return from a site without an outbreak are now required to wait until day seven of their 14 day self-isolation period to arrange COVID-19 testing ([link](#)).
- **November 23, 2020:** Premier Furey announced that starting November 25, 2020 at 12:01 am, anyone arriving in the province from within the Atlantic Bubble will be required to self-isolate for 14 days ([link](#)).
- **June 12, 2020:** The Government of Newfoundland and Labrador extended the time period that converts a temporary layoff into a permanent termination under the *Labour Standards Act*. The time period for making a complaint to the Director of Labour Standards has also been extended ([link](#)).
- **June 8, 2020:** The Government of Newfoundland and Labrador announced a further two-month extension of tax return filing deadlines to August 20, 2020 ([link](#)).
- **May 22, 2020:** The Government of Newfoundland and Labrador announced the deferral or waiver of a number of fees, as well as steps to reduce regulatory burden for businesses ([link](#)).
- **May 15, 2020:** The Government of Newfoundland and Labrador announced schools will remain closed for the remainder of the school year ([link](#)).
- **May 15, 2020:** The Government of Newfoundland and Labrador announced the Students Supporting Communities Program. It will provide funding for student positions that help seniors and other vulnerable groups facing social isolation during the COVID-19 pandemic ([link](#)).
- **May 6, 2020:** The Government of Newfoundland and Labrador announced additional supports for businesses to mitigate the future impacts of the COVID-19 pandemic ([link](#)).
- **May 4, 2020:** The Government of Newfoundland and Labrador partnered with 811 Healthline to connect individuals experiencing food insecurity with community food programs and other supports to access food during the COVID-19 public health emergency ([link](#)).
- **April 22, 2020:** The Government of Newfoundland and Labrador declared a ban on open fires including the setting of all open fires on forest land or within 300 metres of forest land for all regions within the province ([link](#)).
- **April 9, 2020:** The Minister of Children, Seniors and Social Development announced the provision of technology to facilitate virtual visits for families who, before COVID-19, were having in person visits with their children in care ([link](#)).
- **April 7, 2020:** Select ecological reserves and nature parks will remain closed ([link](#)).

- **April 7, 2020:** Youth set to age out of a Youth Services Program will lose access to required supports during the pandemic ([link](#)).
- **April 6, 2020:** An amendment has been made to the Shops' Closing Regulations to allow select stores to open for business on Good Friday. Stores that are not exempt under the Regulations, but are deemed by order of the Chief Medical Officer of Health as services essential to the life, health or personal safety of individuals and animals, will be provided the option to open for business on Good Friday ([link](#)).
- **April 3, 2020:** The Department of Fisheries and Land Resources extended the annual validation expiry date for aquaculture licences from March 31, 2020 to May 31, 2020 ([link](#)).
- **April 2, 2020:** The Minister of Education announced the cancellation of public examinations in schools. Students' grades will be based on work completed up to March 13, 2020 ([link](#)).
- **March 26, 2020:** Various legislative amendments were introduced at the House of Assembly to respond to COVID-19. The potential amendments ensure that tenants of rental properties cannot be evicted if they cannot pay rent due to lost income related to COVID-19. The amendments would also introduce a variety of economic supports.
- **March 25, 2020:** Effective March 26, 2020, passengers travelling on provincial ferries will be restricted to essential workers travelling to their workplace, patients travelling for medical reasons and those transporting essential goods.
- **March 23, 2020:** Dr. Janice Fitzgerald, Chief Medical Officer of Health, ordered certain businesses to close immediately. All those announced as part of the March 18th order, were ordered to remain closed, with the additional closure of personal service establishments and retail stores (unless they provide services essential to the life, health or personal safety of individuals and animals). The new order prohibited gatherings of more than 10 people, including at funerals, visitations and weddings ([link](#)).
- **March 20, 2020:** Dr. Janice Fitzgerald, Chief Medical Officer of Health, ordered all individuals arriving in Newfoundland and Labrador from outside the province to self-isolate for 14 days. Individuals arriving from other provinces and territories were included.
- **March 18, 2020:** The Minister of Health and Community Services declared COVID-19 a public health emergency under the *Public Health Protection and Promotion Act*. The Government of Newfoundland and Labrador ordered the closure of the following businesses: gyms and fitness facilities, including yoga studios, tennis and squash facilities, dance studios, businesses that hold a license under the *Liquor Control Act* whose primary purpose is the consumption of beer, wine, or spirits, cinemas, arenas, performance spaces, and bingo halls.
 - Restaurants are permitted to operate at 50 per cent capacity, as long as appropriate social distancing (2 arms' length from others) can be maintained. Gatherings of 50 or more are not permitted. This includes funerals and visitation to funeral homes.

- Further information is available on the Government of Newfoundland and Labrador’s [website](#).
- Further information on the Newfoundland and Labrador government’s emergency powers, can be found on our “Can they do that?” explainer, [here](#).

New Brunswick

- **January 9, 2021:** The Government of New Brunswick announced that students travelling into the province from other Canadian provinces due to formal custody or care agreements must receive weekly COVID-19 tests. This also applies to student in kindergarten to Grade 8 living in Québec or Nova Scotia who attend school in New Brunswick ([link](#)).

- **January 4, 2021:** The Government of New Brunswick announced that as of midnight, the entire province will move to the Orange level under the province’s revised COVID-19 recovery plan ([link](#)).
- **December 22, 2020:** The Government of New Brunswick announced that as of midnight, Zone 4 (Edmundston region) will move to the Yellow level under the province’s revised COVID-19 recovery plan ([link](#)).
- **December 11, 2020:** The Government of New Brunswick announced that as of midnight, Zone 4 (Edmundston region) will move to the Orange level under the province’s revised COVID-19 recovery plan ([link](#)).
- **December 11, 2020:** The Government of New Brunswick announced that under the Orange level, masks are still required in indoor and outdoor public spaces, but they will no longer be required to be worn outdoors when physical distancing can be maintained. Additionally, masks will no longer be required when accessing drive-thrus in Yellow level regions ([link](#)).
- **November 26, 2020:** The Government of New Brunswick announced that as of midnight, Zone 3 (Fredericton) will move to Orange level under the province’s revised COVID-19 recovery plan ([link](#)).
- **November 26, 2020:** The Government of New Brunswick announced that as of midnight, people travelling into New Brunswick, including all of the Atlantic provinces, are required to self-isolate for 14 days unless exempt. Registration for travel into New Brunswick, including New Brunswickers returning home from travel, is now mandatory ([link](#)).
- **November 26, 2020:** The Government of New Brunswick extended the state of emergency order ([link](#)).

- **November 20, 2020:** The Government of New Brunswick announced that as of midnight, Zone 2 (Saint John) will move to Orange level under the province's revised COVID-19 recovery plan ([link](#)).
- **November 19, 2020:** The Government of New Brunswick announced that Zone 1 (Moncton) is moving to Orange level under the province's revised COVID-19 recovery plan as of midnight ([link](#)).
- **November 19, 2020:** The Government of New Brunswick announced that New Brunswick workers will now be required to undergo self-isolation for 14 days after returning to the province, unless they volunteer to test for COVID-19 ([link](#)).
- **November 13, 2020:** The Government of New Brunswick extended the state of emergency order ([link](#)).
- **November 6, 2020:** The Government of New Brunswick extended the state of emergency order ([link](#)).
- **November 5, 2020:** The Government of New Brunswick has announced that Zone 5 (Campbellton region) will return to the Yellow level at midnight tonight ([link](#)).
- **October 30, 2020:** The Government of New Brunswick extended the state of emergency order ([link](#)).
- **October 29, 2020:** The Government of New Brunswick announced that workers entering or returning to New Brunswick from outside the Atlantic bubble are now subject to modified self-isolation directives for 14 days with the option of returning to regular public health measures by being voluntarily tested for COVID-19 and having negative results and no symptoms. This does not apply to truckers, daily commuters, or people travelling into the province under the authority of an operational plan approved by WorkSafe New Brunswick ([link](#)).
- **October 22, 2020:** The Government of New Brunswick announced additional contact restrictions for residents of Zone 5 (Campbellton region). The Government of New Brunswick further announced Zone 1 (Moncton region) has returned to the Yellow level ([link](#)).
- **October 16, 2020:** The Government of New Brunswick extended the state of emergency ([link](#)).
- **October 8, 2020:** The Government of New Brunswick announced that masks are now mandatory in most indoor public places ([link](#)).
- **October 2, 2020:** The Government of New Brunswick renewed the state of emergency and released guidelines for Thanksgiving and Halloween ([link](#)).
- **September 22, 2020:** The wearing of face masks will become mandatory in all Service New Brunswick centres starting on October 1, 2020 ([link](#)).
- **June 5, 2020:** The Government of New Brunswick announced that Zone 5 will transition to the Yellow level on Friday, June 26, 2020 ([link](#)).

- **June 11, 2020:** The Government of New Brunswick extended the state of emergency for a further 14 days ([link](#)).
- **May 28, 2020:** The Government of New Brunswick extended the state of emergency for a further 14 days ([link](#)).
- **May 27, 2020:** The Government of New Brunswick announced that Zone 5 will transition back to Orange level ([link](#)).
- **May 14, 2020:** The Government of New Brunswick extended the state of emergency for a further 14 days ([link](#)).
- **April 30, 2020:** The Government of New Brunswick extended the state of emergency to May 14, 2020 ([link](#)).
- **April 30, 2020:** The Government of New Brunswick introduced retroactive job protection measures for those who are not able to work because they have COVID-19, are caring for a person with whom they have a close family relationship who has the virus, are following self-isolation or quarantine protocols as directed by Public Health, or who cannot report to work because they are caring for their children due to school or daycare closures ([link](#)).
- **April 30, 2020:** The Government of New Brunswick extended the validity of licences, registrations, certificates and permits issued under provincial laws that were valid as of March 16, 2020 to June 30, 2020 ([link](#)).
- **April 30, 2020:** Municipal councils and council committees may now hold meetings electronically ([link](#)).
- **April 30, 2020:** The Government of New Brunswick will launch a job matching platform on May 4, 2020, to fill positions previously filled by temporary foreign workers ([link](#)).
- **April 28, 2020:** The Government of New Brunswick announced a mandatory order restricting temporary foreign workers from entering the province ([link](#)).
- **April 28, 2020:** The Government of New Brunswick announced that students moving out of universities and community colleges, and those helping them, may enter the province for no longer than 24 hours ([link](#)).
- **April 24, 2020:** The Government of New Brunswick announced the first phase of New Brunswick's recovery plan and the loosening of some public health restrictions ([link](#)).
- **April 23, 2020:** The Government of New Brunswick removed the 30-day limit for prescriptions where shortages do not exist ([link](#)).
- **April 17, 2020:** The Government of New Brunswick passed legislative amendments that allow the government to quickly set up child care centres for children of essential service workers, if necessary. Amendments were also made to the *Employment Standards Act* to address issues related to leaves of absences due to a state of emergency ([link](#)).

- **April 16, 2020:** The Government of New Brunswick extended the state of emergency to April 30, 2020 ([link](#)).
- **April 16, 2020:** Premier Blaine Higgs announced that gardening and agricultural retailers can reopen ([link](#)).
- **April 16, 2020:** Premier Blaine Higgs announced that restaurants with a licence can sell liquor off their menu for take-out or delivery ([link](#)).
- **April 9, 2020:** The Department of Natural Resources and Energy Development delayed the opening of all recreational fishing seasons and the spring bear hunting season until at least May 1, 2020 ([link](#)).
- **April 6, 2020:** The Government of New Brunswick established a pandemic task force vested with authority to determine the response of the health-care system ([link](#)).
- **April 3, 2020:** All provincial parks and playgrounds have been closed ([link](#)).
- **April 2, 2020:** The Government of New Brunswick announced that campgrounds and other social venues will remain closed until further notice ([link](#)).
- **April 2, 2020:** Barring drastic improvements related to COVID-19, schools will not reopen to students this school year. The Department of Education and Early Childhood Development released home learning plans and resources for families to support the continuity of learning while schools remain closed to students. Grade 12 students that were on track to graduate will graduate on time, and students positioned to continue to the next grade level will do so ([link](#)).
- **April 1, 2020:** The Government of New Brunswick extended the state of emergency for another 14 days. Failing to comply with emergency orders could result in fines ranging from \$292.50 to \$10,200 ([link](#)).
- **March 28, 2020:** Service New Brunswick locations closed until April 1, 2020, at which point select service centres will open by appointment only.
- **March 27, 2020:** Health care workers that develop symptoms of COVID-19 are directed to immediately self-isolate. All school playgrounds and playgrounds associated with public housing facilities, are closed. Businesses that are allowed to be open must limit the number of customers to maintain physical distancing and must check that customers entering are not among those required to be in self-isolation. Failing to comply could result in enforcement by the Department of Public Safety or a stop-work order by WorkSafeNB.
- **March 25, 2020:** Dr. Jennifer Russell, Chief Medical Officer of Health, mandated 14 days of self-isolation for all individuals arriving from outside of the province. Additionally, all unnecessary travel into the province is prohibited and peace officers may turn away visitors ([link](#)).
- **March 19, 2020:** The Government of New Brunswick declared a provincial state of emergency. With this declaration, the government mandated the closure of many public facing businesses and all businesses in retail sales are required to stop admitting

patrons. Exceptions include: grocery stores, pharmacies, repair garages, post offices, financial and lending institutions, retailers of fuel, hardware and automotive parts, convenience stores, animal and fish feed providers, and corporate and agency stores of NB Liquor and Cannabis NB. All businesses required to stop admitting patrons are permitted to sell online, over the phone and to arrange delivery or pick-up of purchases.

- As a result of the declaration: all food and beverage businesses reduced to take-out and delivery service only; all lounges and special facilities licensed under the Liquor Control Act will stop admitting patrons, all swimming pools, spas, saunas, waterparks, gymnasiums, yoga studios, dance studios, rinks and arenas, tennis courts, soccer and baseball fields, climbing walls, escape rooms, ski hills, golf courses, arcades, amusement centres, pool halls, bowling alleys, casinos, cinemas, libraries, museums, zoos, aquariums, barbers, hair stylists, esthetics service providers, sugar bush operations, theatres or other live performance venues will stop admitting members of the public; and schools, colleges, universities and private schools must be closed to students, online course delivery may continue (institutions with students in residence are permitted to allow them to remain in residence until they can safely return home).
- **March 13, 2020:** Given the vast number of countries reporting community or widespread transmission of COVID-19, the Government of New Brunswick ordered all travelers returning to Canada after March 13, 2020 to self-isolate for 14 days.
- Further information is available on the Government of New Brunswick's [website](#).
- Further information on the New Brunswick government's emergency powers, can be found on our "Can they do that?" explainer, [here](#).

Nova Scotia

- [January 12, 2021: The Government of Nova Scotia announced mandatory testing for rotational workers who work outside Nova Scotia, Prince Edward Island and Newfoundland and Labrador, effective January 15, 2021 \(link\).](#)
- **January 8, 2021:** The Government of Nova Scotia announced new self-isolation requirements for people coming to Nova Scotia from New Brunswick, effective January 9, 2021 at 8am. People entering from New Brunswick will be required to complete the Nova Scotia Safe Check-In form before arriving and self-isolate for 14 days upon arrival ([link](#)).
- **January 8, 2021:** The Government of Nova Scotia extended the provincial state of emergency until noon on January 24, 2021 ([link](#)).
- **December 23, 2020:** The Government of Nova Scotia extended the provincial state of emergency until January 10, 2021 ([link](#)).
